Dear Parents and Guardians,

Your input is crucial as we work to evaluate the effectiveness of the family engagement program and activities in our district and school. Please take a few moments to tell us about your experience at SCIS and the district as a whole.

To make participation easy, we have provided a QR code for your convenience. Simply open the camera on your electronic device, hover over the QR code, and you will be taken directly to the survey. We kindly ask all parents/guardians to complete the school-specific survey as well as the district survey. If you have multiple children in the school system, please complete a separate school survey for each child. However, the district survey only needs to be completed once.

If you do not have internet access or prefer to complete the surveys on paper, we've attached the surveys to this letter. You can return the completed forms to your child's teacher.

All surveys—whether completed electronically or on paper—must be submitted no later than **May 2, 2025**.

Thank you for being the heart of Sumter County Schools. We truly value your partnership and look forward to learning and growing from the feedback you provide.

Sincerely,

Dr. Mohan Gugulothu, Principal
Tawanna Tyson and Deidre Noble, Counselor
Valerie Walters, District Family Engagement Coordinator
