## ST. GEORGE SCHOOL UNIFORM CLOSET

**Kids grow fast! Need any uniforms??** Visit the St. George School Uniform Closet for a wide selection of clean, “gently used” uniforms. And, because the closet is stocked with items donated by families who have been right where you are, when you find the right fit, there is **no cost to you!** Come and check out the closet and see if there is anything your child(ren) can use.

Can't get to school during office hours? End a note with the item(s) and size(s) you are looking for, and we will try and find a match and send it back home with your child.

### **Help Us Keep the Closet Well-Stocked!**

**Has your child outgrown his/her school uniforms?** St. George School Uniform Closet is always looking for clean, “gently used” uniforms in good condition. If your child is no longer using certain sizes, please consider donating them to the Uniform Closet. This great resource is only possible because of the generosity of our school families; please help us keep it going by donating your families' old uniforms.
