- ❖ Class Dojo!
- ❖ School’s website <https://tes.hcbe.net/>

## Reminders:

Please remind your students to check the lost and found/coat rack for any missing items.

Education is filled with our greatest hope in this world, our kids.

# TUCKER ELEMENTARY SCHOOL

Dear Tucker Families,

Yay! Summer is almost here! The **last day of school** for students is **May 22<sup>nd</sup> and is a half day.** Even though there are lots of fun events and activities planned for the remaining month, please encourage your student to come to school each day to learn and have fun with their friends!

We want to congratulate Mrs. Holly Owen on winning Teacher of the Year for 2023-2024! We also would like to congratulate Mrs. Mary Webster on winning Support Staff of the Year for 2023-2024! We are so appreciative for all their hard work and dedication to Tucker!

We will be holding **5<sup>th</sup> Grade Awards Ceremony** at **Perry High School** on **May 13<sup>th</sup>**. Your child needs to arrive at **5:30 P.M.** at the PHS gym and we ask that your student be "dressed for success"! We cannot wait to celebrate your 5<sup>th</sup> grader!

**Field day** will be held on **Thursday, May 16<sup>th</sup>**. Parents are allowed to come to Field Day for the outside activities. Students will rotate through different areas through out the day. For safety reasons, please keep small children with you at all times. Students from other schools are not allowed to attend Tucker Field Day. Food Trucks will be here! All students should remain with their teachers during Field Day events. **PLEASE DO NOT PARK ON THE CAR RIDER RAMP AND/OR THE BUS RAMP.**

Our Field Day Games will take place outside as listed below:

Pre-K – 2<sup>nd</sup> grade

9:00 AM – 11:30 AM

3<sup>RD</sup> – 5<sup>TH</sup> grade

12:30 PM – 3:00 PM

The TES Jr. Beta Club has teamed up with The Perry Volunteer Outreach to support local food banks for the summer season. The goal is to have every TES student bring at least one can of food to donate as he/she goes to participate in field day. Thank you for supporting our local food bank and families!

***We hope our Tucker family has a great and safe summer!  
Don't forget to BE KIND AND DREAM BIG!***

## **Helping Your Child Retain Learning Over Summer Vacation:**

- Try finding some workbooks, quizzes, flash cards, and practice problems to help your child review. These can be quicker activities you do in between more fun projects.
- You can also take one of your child's past assignments or projects and discuss what they learned. Looking back at their school materials for the year will help remind them of all they have learned and accomplished.
- Reading is always a good way to exercise the mind and practice skills your child gained from the previous school year. Have your child set aside some time each day for reading a book they find interesting. Aim for 15-30 minutes depending on their age and abilities. Many local libraries have summer reading incentive programs for children to earn prizes. This summer the Perry Library is using Beanstack for the Summer Reading Challenge, which is great because that is what we will be using next year. Get a jumpstart with Beanstack by joining the Perry Library Summer Reading Challenge.
