## First Grade Newsletter

August 14-18

### A Note from the Teacher

This week we will begin taking grades. We will have a test on our reading skill (s,m,t, and a). Students will need to be able to identify the sound these letters make. We will also have letter dictation (similar to a spelling test) using the letters for this week. For example I will say "write the uppercase M". This will count as a language arts grade. Both tests will be given on Friday, August 18.

If you have not joined Parent Square, please do so as soon as possible. This is the app I will use to communicate with you.

### What We're Learning...

#### Language Arts/Reading

We will blend, spell and read words with consonants s, m, and t. We will also review the short vowel a. We will learn high frequency words: and, am, can, and on.

#### Math

Topic I- Understanding Addition and Subtraction.
