

January 13, 2022

This is Richard Dennis Superintendent of Elmore County Public Schools. Holtville High, Stanhope Elmore and Elmore County High Schools will move to a virtual format tomorrow due to the number of faculty and staff absences. We will evaluate the situation and make notification to parents and students on Monday if we are unable to return to school on Tuesday following the MLK Holiday. Also, bus routes will be delayed due to a shortage of drivers and substitute drivers. This situation may continue during the duration of the COVID spike in positive cases currently being experienced.

I apologize for the inconvenience and hope you have a great day.

Every Student Empowered, Every Student Succeeds
