What is Title II?

- The purpose of Title II, Part A is to increase student academic achievement consistent with the challenging state academic standards; improve the quality and effectiveness of teacher, principals, and other school leaders; increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and provide low-income and minority students greater access to effective teachers, principals, and other school leaders.
- Allocation \$34,277
 - Recruitment/Retention Incentive
 - PD dues, fees, travel

What is Title IV?

- The purpose of the Title IV-A Student Support and Academic Enrichment (SSAE) grant is to improve students' academic achievement by increasing the capacity of States, local educational agencies, schools, and local communities to provide all students with access to a well-rounded education, improve school conditions for student learning, and improve the use of technology in order to improve the academic achievement and digital literacy of all students.
- Based on the results of that assessment, the LEA must use:
 - At least 20 percent of funds for activities to support well-rounded educational opportunities;
 - At least 20 percent of funds for activities to support safe and healthy students;
 - A portion of funds for activities to support effective use of technology
