

**LITTLE SINGER COMMUNITY SCHOOL
ONE & TWO HOUR DELAYED START BUS STOP TIME**

Email and text messages will be sent to families of students who are registered to ride a bus only. After a bus route impact is entered by transportation, all contacts at the impacted school who are registered to ride a bus at the school will receive an email and a text message. This does not necessarily mean that the message applies to that specific student, families should check with their student's school to ensure the contact information on file is accurate

THANK YOU

TRANSPOTATION DEPARTMENT
