SCHOOLGY MESSAGES

The most efficient way for me to communicate and send group messages to all parents is through Schoology. Please verify that you have access to parent messages through Schoology. I will use email, text, or telephone for individual messages.

LATE POLICY

If work is submitted past the deadline, points will be deducted for each day it is submitted late. After three days, assignments (minor and additional) will be closed.

COURSE DESCRIPTION

7th-grade language arts will focus on the following four areas. Students will have a consumable textbook this year. The textbook will be stored in the classroom unless needed to be sent home. There is a digital copy as well.

GRADING OVERVIEW

Grades are based on a 100-point scale. Major grades consist of tests, projects, and essays. Minor grades consist of classwork, quizzes, and unit work. Additional grades consist of periodic Google Forms, journal entries, and learning check-ins. Students are allowed one retest per subject per quarter; this applies to only one major grade. The higher of the two grades will be recorded in the grade book. There are no redos on minor or additional grades.

Academic Dishonesty: All students must complete their own work. Plagiarism and/or cheating will NOT be tolerated. Please refer to the student Code of Conduct for disciplinary action.

If a student is absent, it is the STUDENT'S responsibility to ask for the missed work AFTER checking Schoology. All daily work will be listed on the weekly agenda shared with students through Schoology. Points may be deducted from the assignment unless the student is absent.
