

BUSINESS ADMINISTRATION TECHNOLOGY (AAT)

Program Purpose

The purpose of the Business Administration Technology Program is to provide accessible, quality educational opportunities that will provide individuals with the skills, knowledge, and abilities necessary to obtain entry-level employment in the general, medical, and information technology professions.

This associate degree program is intended to produce graduates who are prepared for employment as office administrative assistants, clerical clerks, office managers, receptionists, medical administrative assistants, and information technology assistants. Program graduates are to be competent in the academic areas of communication, mathematics, computer literacy, and human relations, and in the technical areas of office management, information management, records management, and basic accounting.

Reid State Community College will accomplish program objectives by providing students with a comprehensive general education and technical training in the core area of business administration. The College will ensure program quality by the acquisition of a certification of graduate competencies through Office Proficiency Assessment Certification (OPAC) or another certification method.

Occupational Data

Graduates of the Business Administration Technology program work in the office setting where they use their skills which are grouped under the classification of business administrator personnel. According to the U.S. Bureau of Labor Statistics Occupational Employment and Wage Statistics, the national median wage for business administrator personnel was \$21.90/hr. in 2022.

Program Outcome Objectives

- Program graduates will be proficient in communication, computation, and interpersonal skills.
- Program graduates will be technically proficient.
- Program graduates will be able to obtain industry certification.
- Program graduates will be successfully employed in the field.
- Employers of program graduates will be satisfied with their education and training.

Admission Requirements

Applicants to this program must complete the application procedures. Additionally, applicants must present official documentation of a high school diploma, or GED in accordance with the Alabama Community College System Board of Trustees policy.

Office Proficiency Assessment and Certification Requirements

Students are required to obtain certification in at least one area of business prior to graduation through The Office Proficiency Assessment and Certification (OPAC) System or another certification method. Proof of certification is required, and a fee may be assessed to obtain a certificate of certification.
