Please keep this handbook as a reference throughout the school year. Please contact me immediately with any concerns that may arise during the school year at 251-221-3070 EXT 12001 or

PARENT/GUARDIAN INVOLVEMENT

ADDITIONAL EDUCATION SERVICES

Federal Programs

Blount's Federal Program Advisory council, comprised of school administrators, teachers, parents, and community stakeholders, meet annually to complete a needs assessment for student learning and review and update all Federal plans. Additionally, a parent meeting is held first quarter to review the *Parent's Right to Know* documents developed by the state and school system federal program departments.

BHS Extended Day Program provides instructional services and activities to meet the needs of children identified as Tier II or Tier III students based on state mandated assessments or teacher referrals. ACT Workshops are also offered after school. Please contact Ms. Buchanan for additional information EXT 12016 or tnbuchanan@mcpss.com

ENGLISH LEARNERS PROGRAM

The English Learners Program includes the identification of students who are limited-English proficient (LEP) and non-English speaking (NES). Once EL students are identified, appropriate educational programs are developed, and student progress is monitored.

COUNSELING SERVICES

The school counseling and guidance program is an integral part of the total educational process and is accessible to all students. The school counselor is a certified professional with unique qualifications and skills to address the academic, personal/social, and career development needs of all students. The school counselor implements the school counseling and guidance curriculum, provides individual, small and large group guidance, and classroom guidance. The school counselor consults and collaborates with parents/guardians, teachers, and staff, provides information, and referral of community resources in addressing the needs of students. SPECIAL EDUCATION SERVICES/SECTION 504

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the district's programs and facilities. A student can access special education services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEA) and State law. Please contact Ms. Lesure/EXT 12028 or klesure@mcpss.com to inquire about evaluation procedures and programs.

FIELD TRIPS AND EXCURSIONS

Field trips and excursions are extensions of classroom instruction and provide quality learning opportunities for students to participate in unique and enriching educational experiences. School administrators and teachers adhere to district procedures to ensure student safety is a priority on all trips. The following are minimal procedures for all field trips and excursions away from school:

- Students are expected to exhibit their best behavior, and the Student Code of Conduct is fully applicable for all activities.
- Students must submit to school officials a parental permission form, completed, and signed by their parent/guardian, prior to departing on each school sponsored field trip. Students not submitting a signed permission form will not participate in the activity.
- Guidelines for parental participation for each activity will be provided by school administration.

ATTENDANCE

The staff of Blount High School believes that the maximum educational achievement occurs for students through regular attendance in classes. One of the most important things a parent or guardian can do for their child is ensure they are in school on time every day. Below are a few reminders:

- Students are required to be on time for school at 7:05 AM.
- Late arrivals should report to the main office to check in (See Ms. J. Johnson)
- Checkouts should be conducted through the front office no later than 1:30 PM
- Any missed school will be categorized as an excused absence, excused tardy, unexcused absence, or unexcused tardy.
- Excessive absences will subject a student and parent or guardian to truancy policies and procedures.
- Contact Information – Ms. J. Johnson, Attendance Clerk/EXT 12012 or jwjohnson5@mcpss.com

TARDINESS

Being late to school or checking out of school is excused or unexcused for the same reasons as absences. A student is considered tardy if not seated in class when the tardy bell rings. Any student who arrives after school has begun must report to the office to check in. Habitual tardiness greatly affects a child's progress in school. Per semester, tardiness to school or class shall be addressed as follows:

4 th tardy	One (1) hour after school detention assignment and parent/guardian notification
5 th tardy	One (1) hour after school detention assignment or Saturday School and parent/guardian notification
6 th tardy	One (1) day Retract assignment and parent/guardian notification
7 th tardy	Two (2) day Retract assignment and notification letter from attendance officer
8 th tardy	Three (3) day Retract assignment and parent/guardian notification
Each subsequent tardy	Truancy/Discipline Program, revoking driving privileges (if applicable)

ABSENCES

Absences are **excused** for the following reasons:

- Illness
- Death in immediate family
- Inclement weather which would be dangerous to the life and health of the child as determined by the principal
- Emergency conditions as determined by the principal
- Administrative Approval – requires prior permission of the principal upon request of the parent or guardian
- A chronic ailment that may cause the student to miss school. A doctor's statement is required to verify the student's condition. A new chronic ailment letter from the doctor must be updated every semester. *A parent or guardian note is still required for any chronic ailment absence.*

Absences that do not fall under one of the "excused absence" categories are deemed **unexcused**. The following are also deemed unexcused:

- Failure to send a note within three (3) days of the absence upon returning to school.
- Failure to secure prior approval from the principal for administrative approved absences.
- Failure to secure prior permission from the principal for out-of-town trips.
- Failure to provide a medical/clinical excuse after a student has accumulated ten (10) parent notes for the year.

EXCESSIVE ABSENCES

Students who are absent five (5) or more days per semester will not receive credit for the course, unless otherwise approved by the principal. Five (5) unexcused tardies to the same class shall constitute one (1) unexcused absence for said class. In cases where there are extenuating circumstances, the principal may extend the maximum number of absences a student may accumulate before credit is withheld. Driving privileges may also be revoked – up to 45 days – for students who accumulate excessive absences or tardies.

TRUANCY

Truancy is the habitual and unlawful absence from school. Section 16-28-16 of the Code of Alabama governs truancy. If a child is truant, the parent or guardian can be charged with criminal action in Juvenile Court. Truancy is determined by unexcused absences.

DENIAL OF DRIVER'S LICENSE OR LEARNER'S PERMIT

The Department of Public Safety may deny or revoke a driver's license or learner's permit for any student who has 10 consecutive or 15 cumulative unexcused absences per single semester.

ATTENDANCE AWARDS

A perfect attendance award shall be awarded to students who have attended school every day based on documentation of the attendance record. Students who are tardy or have checked in/out two (2) or more times per semester may not be eligible for the Perfect Attendance Award.

EARLY DISMISSAL FROM SCHOOL

To comply with the school early dismissal procedures, parents/guardians of students must present phot identification to school office personnel before a student will be allowed an early dismissal from school. Parents/guardians are not to go directly to classrooms for this purpose. All students must sign out through the front office before leaving campus.

CHANGES IN STUDENT TRANSPORTATION

Changes in the mode of student dismissal must be in writing. For the safety of students, phone calls will not be accepted to change dismissal arrangements. Changes should include the name and grade of the student and should be submitted in writing to the school office. Students who are not regular bus riders may not ride the bus unless a written request is submitted and approved by the office. Only individuals listed as authorized on enrollment documentation may pick up a student. A driver's license/phot identification must be presented when requesting to pick up a student from school.

WITHDRAWALS

Parents should contact the school office regarding withdrawal procedures. A student leaving school or transferring to another school should empty the locker (if assigned), return all school property, and pay any outstanding debts.

HEALTH SERVICES

The Health Services Department assists students and staff in the areas of health services, health education, and a healthy environment. The role of the school nurse within this program is to strengthen the educational process of children and youth by assisting them to improve or adapt to their health status. The school nurse will promote wellness and disease prevention by early intervention and identification of health problems that interfere with learning. Please contact Nurse Pope/EXT 12027 or cpope@mcpss.com

Illness

When your student is ill the evening before or on the day of school, please keep the student at home. Children running a fever, vomiting, experiencing diarrhea, coughing, or having a sore throat or other cold/flu related symptoms are not ready for a rigorous day of school. They need at least 24 hours rest before returning to school. To prevent the spread of illness, students should be fever-free for 24 hours without medication before returning to school. Additionally, students who have been experiencing diarrhea and/or vomiting should be symptom-free for 24 hours before returning to school.

If a student feels sick during the day, he/she must report to the front office. The student must call a parent/guardian to go home. Any class time missed will count as an excused absence. The school is not authorized to administer any medication, including over-the-counter medication (Tylenol, Ibuprofen, etc.).

MEDICATION PROTOCOL

All medications require parents/guardians to complete the Alabama State Department of Education School Medication Prescriber/Parent Authorization (PPA) forms. New forms must be renewed at the beginning of every school year and anytime the doctor makes a change to prescribed medication.

MEDICATION GUIDELINES

- All medications must be hand delivered by the parent or guardian to the school nurse. This includes all students who “self-administer” and/or “self-carry” medications.
- Medications to be used in emergency circumstances (asthma, allergic reactions, etc.) shall be stored in the first aid room or classroom depending on state guidelines and each child’s individual need.
- Medications to be administered on a regular schedule for a short-term illness (antibiotics, decongestants, etc.) must be administered by the school nurse with a prescription and a completed Medical Authorization form signed by the physician and the parent. Medical authorization forms are available in the school office. Parents must bring medications in the original bottle with a label matching PPA to the nurse’s office. Medication may not be brought to school by a student.
- Medications to be administered on a long-term basis for chronic conditions must be administered by the school nurse and require a completed Medical Authorization form signed by the physician and parent.
- Over-the-counter medications may be administered by the school nurse with a Medical Authorization form signed by the parent. All over-the-counter medications must be unopened and in their original container and delivered by the parent to the school nurse.

ALLERGY GUIDELINES

If a student has a SEVERE allergy or intolerance, the parent/guardian should indicate this issue on the Health Assessment Form and notify the school nurse by providing appropriate information from their physician.

SAFETY AND EMERGENCY PROCEDURES

SAFETY PLAN

BHS has a safety plan that addresses safety procedures and responsibilities for intruders, weather, locked doors, evacuations, and fire. Please contact Mr. Hale/EXT 12015 or thale@mcpss.com or Resource Officer Oakley/EXT 12041 or seoakley@mcpss.com

FIRE, LOCKDOWN, AND SEVERE WEATHER DRILLS

Emergency drills are held throughout the school year. Students are requested to move in an orderly manner to a shelter in place as directed. Upon completion of the drill, an all-clear message will be communicated, at which time regular school day activities will resume.

SCHOOL CLOSINGS

The Superintendent will close schools when weather conditions are too hazardous for safe operations. Parents will be notified by automated phone systems as well as through postings on school websites, social media accounts, and local television and/or radio stations.

TECHNOLOGY

CELL PHONES/ELECTRONIC COMMUNICATIONS DEVICES/FACEBOOK LIVE

Personal wireless communication devices, personal mobile computers, and mobile phones must be turned off during school hours unless granted permissions by the principal (or designee) for supervised classroom instruction. It is the student's responsibility to ensure that the device is turned off and out of sight during unauthorized times.

Video recording devices, including camera phones, are not to be used in bathrooms or locker rooms. The use of video recording devices or filming on school property is not permitted without approval by staff. Unauthorized filming of students without their consent is also not allowed. If these rules are not adhered to, progressive discipline will follow the MCPSS Student Code of Conduct.

Students who choose to connect to the district network agree to the requirements of the Student Internet Acceptable Use Policy.

Students who bring mobile devices to school assume all risks of damage, theft, loss, or misuse of the device. The school holds no responsibility for damage or loss of personal devices.

USE OF DIGITAL DEVICE DURING ADMINISTRATION OF SECURE TESTS

The possession of a digital device including but not limited to mobile devices capable of capturing or relaying information is strictly prohibited during the administration of a secure test. If a student is observed in possession of a device during the administration of a secure test, the device will be confiscated and subject to search, the test will be invalidated, and student will be dismissed from the testing and subject to disciplinary actions.

INTERNET SAFETY & ACCEPTABLE USE OF COMPUTER TECHNOLOGY

All students must take responsibility for appropriate and lawful use of the Internet access provided by Mobile County School System. Refer to the Technology Acceptable Use Policy for further information.

STUDENT ASSESSMENT PROGRAM

FORMATIVE ASSESSMENTS

Formative assessments are used throughout the year to provide feedback to teachers and students regarding student proficiency of course of study objectives. Information gained through formative assessments provides opportunities for teachers to adjust the ways in which they deliver instruction. For example, they may reteach a concept, use alternative instructional strategies, or offer additional opportunities for practice and reinforcement. These activities can lead to improved student success. Teachers utilize a variety of formative assessments including but not limited to unit assessments, iReady, Math 180, CERT, Mock ACT, etc. Classroom teachers and school administrators can provide additional information about specific formative assessments utilized by each grade level.

SUMMATIVE ASSESSMENTS

Students are assessed annually using a variety of state mandated standardized assessments. For the 2021-2022 school year, school accountability was measured by PreACT (10th grade), the ACT (11th grade), and ACT WorkKeys (12th grade). The following is a description of the assessment administered:

PreACT (Grade 10) - Using an abbreviated test, the PreACT simulates the ACT testing experience on all four ACT test subjects: English, math, reading, and science. Pre-ACT test results predict future success on the ACT test and provide both current achievement and projected future ACT test scores on the familiar 1-36 ACT score scale.

ACT with Writing (Grade 11) - The ACT is the capstone of ACT College and Career Readiness Solutions, and it is aligned to Alabama's College and Career Readiness Standards. The ACT with Writing is administered to all grade 11 students enrolled in Alabama public high schools free of charge. The ACT contains four curriculum-based tests which measure academic achievement in the areas of English, mathematics, reading and science reasoning. The tests are measures of academic development that rely on students' skills in applying the content knowledge and reasoning skills acquired in their course work. The ACT is accepted by four-year colleges and universities in the United States for college admissions and scholarship application purposes.

ACT WorkKeys (Grade 12) - ACT WorkKeys assessments are research-based measures of foundational work skills required for success across industries and occupations. Grade 12 students may opt to take the Applied Mathematics, Graphic Literacy, and Workplace Document tests if they have a credential. Based on the scores attained on the three assessments, students may be eligible to earn a Bronze, Silver, Gold, or Platinum ACT National Career Readiness Certificate (NCRC).

ACCESS for ELLs – ACCESS is administered annually to Alabama students in Grades K-12 identified as English language learners. The assessment monitors students' progress in acquiring academic English within the school context, as well as language associated with language arts, mathematics, science, and social studies across four domains of Speaking, Listening, Reading, and Writing.

Alternative Alabama Comprehensive Assessment Program (ACAP) - The Alternate ACAP Assessment is a criterion-referenced state assessment administered as an alternative to general education state assessments. The Alternative ACAP is administered to students with significant cognitive disabilities working to achieve the Alabama Extended Standards.
