

Announcement: STEM Scholarship Opportunity for Gentry High School Seniors and HBCU College Students

Dear Gentry High School Seniors and Esteemed HBCU College Students,

We are pleased to announce an exceptional opportunity for financial assistance through our STEM Scholarship program. As we understand the importance of supporting the pursuit of education and the advancement of science, technology, engineering, and mathematics (STEM) fields, we are offering scholarships to aid your academic journey.

Scholarship Details:

- **Scholarship Amounts:**
 - \$500 for High School Seniors
 - \$1,000 for College Students enrolled in Historically Black Colleges and Universities (HBCUs)

Application Deadline: September 30, 2023

Eligibility Criteria:

- Applicants must be either graduating seniors from Gentry High School or currently enrolled as students in accredited HBCUs.
- Demonstrated commitment and pursuit of studies in STEM disciplines.
- Strong academic performance and potential for contributions to STEM fields.

How to Apply: Interested candidates are invited to submit their applications by the September 30, 2023, deadline. Application forms and detailed submission instructions can be obtained from www.usminoritycontractors.org.

Selection Process: A dedicated scholarship committee will carefully review all applications, considering academic achievements, extracurricular involvement, and the potential impact of candidates' STEM aspirations. Successful applicants will be notified of their awards.

We encourage all eligible students to take advantage of this valuable opportunity to ease the financial burden of pursuing their education in STEM fields. Your dedication to academic excellence and commitment to advancing STEM knowledge are qualities we greatly admire and wish to support.

For any inquiries or additional information, please do not hesitate to contact **Bernie Held** (bheld@cmtengr.com). We look forward to receiving your applications and supporting your educational endeavors in the exciting world of STEM.

Sincerely,

Teresa Hollingbird-Jackson
