April 6, 2023

Yáá'tēēh Mountaineer Families,

Spring is making its way toward the Continental Divide and we are anxiously awaiting the warmer weather.

As the Earth brings new life with Spring, it is my hope that our students have a renewed enthusiasm for learning and continue to look forward to being in school every day. The school staff has been working to coordinate plans for an exciting finish to SY 2022-2023.

The following is a listing of the activities scheduled for the month of April:

- April 4 – 6, 2023: BIE Pearson ELA Summative Assessment for grades 3rd – 8th
- April 11 – 14, 2023: BIE Pearson Math Summative Assessment for grades 3rd – 8th
- April 18 – 20, 2023: BIE Pearson Science Assessment for 5th & 8th grades ONLY
- 3rd Quarter Honor Roll Luncheon with the Principal
- Scholastic Book Fair begins April 5 – April 20, 2023
- April 10, 2023: T'iists'ozí School Board Meeting @ Pueblo Pintado 9:00 a.m.
- April 11, 2023: 8th Grade Promotion Planning Parent Meeting at 5:30 p.m.
- April 12, 2023: PAC Monthly Meeting at 5:30 p.m.

- April 20, 2023: Smith Lake Head Start Transition Visit to DYHCS

- April 22, 2023: Earth Day
- April 25, 2023: 8th Grade Transition Visit to Wingate High School

Please continue to ensure that our students attend school daily. Assessments are being administered, and it is best when we have all students present to avoid having students test individually for make-up testing.

In closing, I ask for your continued support by encouraging our students to do their best and be fully present to learn all they can each and every day.

Respectfully,

Mrs. Gweneth T. Torivio, School Principal
