4. Superintendent Blaine Dausat announced that school would be commencing tomorrow if it were not for the Covid-19 pandemic. However, with school starting three weeks later, this allows more time for the students' chromebooks to arrive and to prepare the chromebooks ready for use by the students. Superintendent Dausat stated he is amazed at the number of parents who opted for virtual lessons versus in-person classes (41%). The biggest

concern is regarding internet issues and not having a teacher in person in front of the students. There will be kinks to work out, but he encouraged everyone to have patience and allow ample amount of time. Mr. Dauzat further stated that about two to three weeks after school starts, the virtual option will be reevaluated. Precautions in place include temperature checks every morning, face masks for everyone age 8 and up, and hand sanitizer in every room. Breakfast bags will be available for “grab & go” for students to eat in their classroom. For lunch, students will be spaced out inside the cafeteria, or they will have the option to eat outside or in their classroom. Every Monday by noon, lessons for the whole week will be prerecorded for all students. Students will have the option to watch live during regular class time or download to work on later. The last 30 minutes of every class will be open for questions and answers. If cases go up and things get worse, school will go 100% virtual.

On motion by Lynn Deloach, seconded by Chris Lacour, the Board adopted the resolution to set forth the adjusted millage rate(s) and roll forward to millage rate(s) not exceeding the maximum authorized rate(s), as presented by Mrs. Bonnette. MOTION CARRIED UNANIMOUSLY.

6. Mrs. Mary Bonnette, Director of Finance, reported that a public hearing was held on Tuesday, August 4, 2020, at 4:00 p.m. to review the proposed budget for the fiscal year ending June 30, 2020.

Mrs. Mary Bonnette, Director of Finance, addressed the Board regarding the adoption of the Consolidated Budget for the 2020-2021 school year.

A motion was offered by Chris Lacour, seconded by Chris Robinson, that the Board adopt the Consolidated Budget for the 2020-2021 school year. The motion resulted in a tie vote as follows:

Ayes: Chris Lacour, Chris Robinson, Latisha Small, and Rickey Adams.

Nays: Lynn Deloach, Robin Moreau, Stanley Celestine, Jr., and Aimee Dupuy.

Much discussion ensued regarding the budget. Mrs. Dupuy expressed concern at the number of current teacher vacancies and suggested that the duties of instructional coaches and deans of students be restructured in order that they can fill teaching positions. Many principals in attendance expressed the absolute need for continued staffing of instructional coaches and deans of students and their extreme value to both students and teachers. Assistant Superintendent Thelma Prater reassured Mrs. Dupuy that most of the teacher vacancies have already been filled. Board members were concerned that the public will see a deficit on paper “cut and dry” and lose more faith in the school system. Mrs. Bonnette admitted the budget system looks complicated on paper, and accounts are fluid, and so she invited the Board to an in-depth review of how the system and accounts all function together to get a better understanding of the final numbers for this budget.

On motion by Aimee Dupuy, seconded by Rickey Adams, the Board then adopted the Consolidated Budget for the 2020-2021 school year, as follows: MOTION CARRIED UNANIMOUSLY.
