FEBRUARY

Lunar New Year Celebration

On January 31st, our students were able to watch their peers in the Lunar New Year performances. Thank you to all of the volunteers that brought this assembly to our students. We all enjoyed watching and celebrating the Year of the Snake.

Read-A-Thon Celebration Assembly

CRS and LLE celebrated the end of the the PTO Read-A-Thon this week. The students did a phenomenal job with their reading each night!! We also found out the official name of our mascot, **STRIPES!**

Spotlight on Kindergarten

Kindergarten brushed up on the best dental hygiene practices this month! We kicked off the unit by creating a toothbrush schedule for the month of February. Every day students colored in the morning sun and night moon to log that they brushed their teeth for the day.

Furthermore, students learned about healthy foods to eat for both our bodies and our teeth. Then learned how to take care of our mouth by flossing, using mouthwash, and brushing both our teeth and tongue.

With our giant toothbrush schedules and puppets created, we are ready for a month full of sparkling smiles.

February 14, 2025

Dear CRS and LLE Families,

Happy Valentine's Day! What a great week we had filled with kindness and love. During Random Acts of Kindness Week, our students practiced sharing this great characteristic by donating socks to those in need and learning to love our minds and bodies by doing yoga. We are highlighting some of this week's events in the photos below.

- **CRS/LLE Read-a-Thon**-This truly has been an amazing event that the PTO sponsored. I would like to thank them for all of their hard work in helping to raise over \$28,000! All of this was done by your children flexing their superpowers.
 - You can click [here](#) for the winners and stats in both schools.

- **Important!**
