

Meet the Director

My name is Krystal Lott, this is my second year as The Director of Child Nutrition. I am a proud resident of Perry County and have an invested interest in the success of the district. I have been married to my husband, Yancey, for ten years. We have two sons, Elliott and Ian.

As the Director of the Perry County School District Department of Child Nutrition, I believe that hungry children can not learn. The department's mission is to provide nutritious and delicious meals to the district's students so they can be successful in the classroom.
