

HOW TO APPLY FOR A MASTER'S ACADEMY FINANCIAL AID SCHOLARSHIP

Master's Academy uses the financial screening program **FACTS Grant & Aid** which verifies financial need and makes a specific financial aid recommendation directly to the school if a family qualifies. The school's financial aid committee will review the recommendation and determine what, if any, financial aid will be offered based on several factors, including available funding and the total number of families applying. This assistance is very limited. Completed **FACTS Grant & Aid** applications, including all tax forms, must be submitted on or before April 30th to be considered.

The **FACTS** website provides a downloadable worksheet to help organize everything needed before completing the on-line application. The **FACTS** application is considered incomplete if tax forms and other required documents are missing. Parents must access **FACTS** through the Master's Academy website. The non-refundable application fee of \$45 is paid directly to **FACTS** by debit or credit card.
