

Dear Parent,

You have registered your child for one of the school sites participating in the Houston County School District After-School Programs (ASP). Although the District will be providing care for your child after school hours on each regular full day of school for the 2022-2023 school year, the ASP programs will NOT operate on the two early release dates as established by the Houston County BOE Student Calendar.

There will be NO ASP Programs on scheduled early release dates of December 16, 2022 and May 24, 2023.
