Status: DRAFT

Original Adopted Date: 09/01/1990 | **Last Revised Date:** 08/01/2013

The Governing Board recognizes the responsibility of Board members in their role as community leaders to participate in public discourse on matters of civic or community interest, including those involving the district, and their right to freely express their personal views. However, to ensure communication of a consistent, unified message regarding district issues, Board members are expected to respect the authority of the Board to choose its representatives to communicate its positions and to abide by established protocols.

All public statements authorized to be made on behalf of the Board shall be made by the Board president or, if appropriate, by the Superintendent or other designated representative.

Board spokespersons shall not disclose confidential information or information received in closed session except when authorized by a majority of the Board. (Government Code 54963)

When speaking to community groups, members of the public, or the media, individual Board members should recognize that their statements may be perceived as reflecting the views and positions of the Board. Board members have a responsibility to identify personal viewpoints as such and not as the viewpoint of the Board.

In addition, the Board encourages members who participate on social networking sites, blogs, or other discussion or informational sites to conduct themselves in a respectful, courteous, and professional manner and to model good behavior for district students and the community. Such electronic communications are subject to the same standards and protocols established for other forms of communication, and the disclosure requirements of the California Public Records Act may likewise apply to them.

Bylaw 9012: Board Member Electronic Communications

Status: DRAFT

Original Adopted Date: 11/01/2008 | **Last Revised Date:** 12/01/2020

The Governing Board recognizes that electronic communication is an efficient and convenient way for Board members to communicate and expedite the exchange of information within the district and with members of the public. Board members shall exercise caution so as to ensure that electronic communications are not used as a means for the Board to deliberate outside of an agendaized Board meeting, circumvent the public's right to access records regarding district business, or restrict access to a public forum.

A majority of the Board shall not, outside of an authorized meeting, use a series of electronic communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

Board members may engage in separate conversations or communications with members of the public on a social media platform to answer questions, provide information, or solicit information regarding a matter that is within the subject matter jurisdiction of the Board, as long as a majority of the Board does not use the platform to discuss among themselves any business of a specific nature that is within the subject matter jurisdiction of the Board. A Board member is prohibited from responding directly to any communication from other Board members regarding matters that are within the subject matter jurisdiction of the Board or using digital icons (e.g., "likes" or emojis) to express reactions to communications made by other Board members. (Government Code 54952.2)

Whenever a Board member uses a social media platform to communicate with the public about district business or Board activities, the Board member shall not block access to a member of the public based on the viewpoint expressed by that individual.

Board members may use electronic communications to discuss matters that do not pertain to district business, regardless of the number of Board members participating in the discussion.

Board members shall make every effort to ensure that their electronic communications conform to the same standards and protocols established for other forms of communication. A Board member may respond, as appropriate, to an electronic communication received from a member of the community and should make clear that the response does not necessarily reflect the views of the Board as a whole. Any complaint or request for information should be forwarded to the Superintendent in accordance with Board bylaws and protocols so that the issue may receive proper consideration and be handled through the appropriate district process. As appropriate, communication received from the media shall be forwarded to the designated district spokesperson.

To the extent possible, electronic communications regarding any district-related business shall be transmitted through a district-provided device or account. Status: DRAFT

Original Adopted Date: 06/01/1991 | **Last Revised Date:** 07/01/2008

The Governing Board recognizes the complex legal environment in which districts operate and desires reliable, high-quality legal advice at reasonable rates. In order to meet the district's legal needs, the Board may contract with county counsel, attorneys in private practice, or appoint legal counsel as a district employee or independent contractor. The Board also supports pursuing collaborative legal efforts with other agencies and districts as appropriate.

Duties of Legal Counsel

The district's legal counsel may: (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee
2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings
3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures
4. Perform other administrative duties as assigned by the Board and Superintendent or designee

Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall initiate a Request for Proposals (RFP) to advertise and solicit proposals for legal services. In evaluating the proposals, the Board and Superintendent shall consider the firm's or attorney's background, experience, and reputation in education law; experience advising or representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

The Board and Superintendent shall annually evaluate the performance of the firm and/or attorneys providing legal services in such areas as efficiency and adequacy of advice; results obtained for the district; reasonableness of fees; and responsiveness to and interactions with the Board, administration, and community. Upon a successful evaluation, the Board may renew the agreement with legal counsel without initiating an RFP.

The Board may also contract for temporary, specialized legal services without initiating an RFP when a majority of the Board determines that the unique demands of a particular issue or emergency situation so requires.

Contacting Legal Counsel

At his/her discretion, the Board president or Superintendent may confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Superintendent or Board president may contact district legal counsel to provide the Board with legal information or advice when so directed by a majority of the Board.

Unless specifically authorized by the Board to act on its behalf, the committee shall act in an advisory capacity.

Except for subcommittees of the Board, committee members shall, as appropriate, be recommended by the Superintendent or designee and appointed by the Board president, subject to Board approval.

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code 54952)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the Board's request.

When a majority of the members of the Board attend an open and noticed meeting of a standing committee, the Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)

Such a motion shall be listed as a public agenda item for a Board meeting prior to the motion being voted upon. (Education Code 35012)

Bylaw 9200: Limits Of Board Member Authority

Status: DRAFT

Original Adopted Date: 02/01/1994 | **Last Revised Date:** 07/01/2006

The Governing Board recognizes that the Board is the unit of authority over the district and that a Board member has no individual authority. Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

Unless agreed to by the Board as a whole, individual members of the Board shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. Individual Board members shall submit requests for information to the Superintendent. Board members shall refer Board-related correspondence to the Superintendent for forwarding to the Board or for placement on the Board's agenda, as appropriate.

Individual Board members do not have the authority to resolve complaints. Any Board member approached directly by a person with a complaint should refer the complainant to the Superintendent or designee so that the problem may receive proper consideration and be handled through the appropriate district process.

A Board member whose child is attending a district school should be aware of his/her role as a Board member when interacting with district employees about his/her child. Because his/her position as a Board member may inhibit the performance of school personnel, the Board member should inform the Superintendent or designee before volunteering in his/her child's classroom.

The Superintendent or designee shall provide a copy of the state's open meeting laws (Brown Act) to each Board member and to anyone who is elected to the Board but has not yet assumed office.

Board members and persons elected to the Board who have not yet assumed office are responsible for complying with the requirements of the Brown Act. (Government Code 54952.1)

Bylaw 9220: Governing Board Elections

Status: DRAFT

Original Adopted Date: 06/01/2006 | **Last Revised Date:** 12/01/2022

Any person is eligible to be a member of the Governing Board, without further qualifications, if the person is 18 years of age or older, a citizen of California, a resident of the school district or, if applicable, the trustee area, a registered voter, and not legally disqualified from holding civil office. Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or elected as a Board member except when the person has been granted a pardon in accordance with law. (Education Code 35107; Elections Code 20)

A district employee elected to the Board shall resign from district employment before being sworn in or shall have the employment automatically terminated upon being sworn into office. (Education Code 35107)

The Board encourages all candidates to become knowledgeable about the role of board members. The Superintendent or designee shall provide all candidates with information that will enable them to understand the responsibilities and expectations of being a Board member, including information regarding available workshops, seminars, and/or training. The Superintendent or designee shall provide all candidates with the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

Recalling a Board Member

A Board member may be recalled as permitted by Elections Code 11000. Proponents of a recall are required to serve, file, and publish or post a notice of intention to circulate the recall petition and to comply with other applicable law and formalities and county elections official directives. The petition, pursuant to Elections Code 11041, is required to be in the format provided by the Secretary of State and to include an estimate of the cost of conducting the special election, as determined by the county elections official, in consultation with the district. Within 14 days after the meeting at which the Board receives a certificate of sufficiency of signatures on a recall petition from the county elections official, the Board shall order an election to be held to determine whether the Board member named in the petition shall be recalled. The election shall be held not less than 88, nor more than 125, days after the date that the Board orders the election. However, the election may be conducted within 180 days after the issuance of the Board's order to consolidate the election with a regularly scheduled election. Recall elections shall be conducted in accordance with Elections Code 11381-11386.

Consolidation of Elections

To reduce costs associated with conducting elections, the Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code 1302.

In addition, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to consolidate Board elections with statewide elections. (Elections Code 14051, 14052)

In order to consolidate elections based on either circumstance described above, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code 10404.5)

The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of the office for the remainder of the term (Government Code 1770)
3. A Board member's resignation (Government Code 1770)

A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district, except where a deferred effective date is specified in the resignation so filed, in which case the resignation shall become operative on that date. A Board member may not defer an effective date of resignation for more than 60 days after the date the resignation is filed with the County Superintendent. Upon being filed with the County Superintendent, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090, 5091)

If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve during the absence. If two or more members of the Board are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.

8. A Board member's ceasing to discharge the duties of the office for the period of three consecutive months, except when prevented by illness or when absent from the state with the permission required by law (Government Code 1770)

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
2. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which the person was elected to fill. (Education Code 5093)
3. When a vacancy occurs outside of the statutory time windows identified in Items #1 and #2 above, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment. (Education Code 5091, 5093)

Eligibility

A committee consisting of less than a quorum of the Board shall ensure that applicants are eligible for Board membership and announce the names of the eligible candidates. The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by majority vote.

Within 10 days after the appointment is made, the Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the district. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation
2. The full name of the appointee
3. The date of appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for district Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

If within 30 days of the Board's appointment, registered voters of the district or, where elections are by trustee areas, of the trustee area submit a petition for special election which the County Superintendent determines to be legally sufficient, the provisional appointment is terminated, and a special election shall be held in accordance with Education Code 5091 to fill the vacancy.

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and a district election will not be held, the Board shall appoint a qualified person to the office. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.

Bylaw 9270: Conflict Of Interest

Status: DRAFT

Original Adopted Date: 07/01/2010 | **Last Revised Date:** 03/01/2023

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. Accordingly, no Board member, district employee, or other person in a designated position shall participate in the making of any decision for the district when the decision will or may be affected by the Board member's, district employee's, or other designated persons financial, family, or other personal interest or consideration.

Even if a prohibited conflict of interest does not exist, a Board member shall abstain from voting on personnel matters that uniquely affect the Board member's relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which the Board member's relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

The Board shall adopt for the district a conflict of interest code that incorporates the provisions of 2 CCR 18730 by reference, specifies the district's designated positions, and provides the disclosure categories required for each position. The conflict of interest code shall be submitted to the district's code reviewing body for approval, in accordance with Government Code 87303 and within the deadline for submission established by the code reviewing body. (Government Code 87303)

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body or, if no change is required, the Board shall submit a written statement to that effect. (Government Code 87306.5)

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days after the changed circumstances necessitating the amendments have become apparent. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last required statement and the date of leaving office or district employment. (Government Code 87302, 87302.6)

Conflict of Interest under the Political Reform Act

A district official, including a Board member, designated employee, or other person in a designated position shall not make, participate in making, or in any way use or attempt to use an official position to influence a governmental decision in which the district official knows or has reason to know that there is a disqualifying conflict of interest. A disqualifying conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect," which is distinguishable from the effect on the public generally, on the district official, the district official's immediate family, or any financial interest described in 2 CCR 18700. (Government Code 87100, 87101, 87103; 2 CCR 18700-18707)

A district official makes a governmental decision when, within the authority of the office or position, the district official authorizes or directs any action on a matter, votes or provides information or opinion on it, contacts or appears before another district official for the purpose of affecting the decision, or takes any other action specified in 2 CCR 18704.

However, a district official shall participate in the making of a contract in which the district official has a financial interest if such participation is required by the rule of necessity or legally required participation pursuant to Government Code 87101 and 2 CCR 18705.

Conflict of Interest from Campaign Contributions

To avoid improper influence over the Board's decision-making involving the issuance of a license, permit, or other entitlements for use, including a contract, district officers, which includes Board members or agency heads, shall comply with Government Code 84308, including the following: (Government Code 84308)

1. A district officer is prohibited from accepting, soliciting, or directing a contribution of more than \$250 from any party or participant to a proceeding involving a license, permit, or other entitlement for use, including a contract, or from that person's agent, while the proceeding is pending before the Board and for 12 months following the date a final decision is rendered in the proceeding, if the Board member knows or has reason to know that the party or participant has a financial interest in the Board's decision.
2. Any district officer who received a contribution of more than \$250 from a party or participant in the preceding 12 months shall disclose that fact on the record of the proceeding prior to the Board rendering a decision in the proceeding. If the district officer willfully or knowingly received the contribution and knows or has reason to know that the participant has a financial interest in the Board's decision, the district officer shall not make, participate in making, or in any way attempt to use the official position to influence the Board's decision.
3. A district officer who receives a contribution that would otherwise require disqualification as described in Item #2 above may participate in the proceeding if the contribution is returned within 30 days from the time the district officer knows or should have known about the contribution and the proceeding.
4. A district officer who unknowingly accepts, solicits, or directs a contribution of more than \$250 during the 12 months after the date of the Board's final decision on the proceeding may cure the violation by returning the contribution, or the portion exceeding \$250, within 14 days of accepting, soliciting, or directing the contribution, provided the district officer did not knowingly or willfully accept, solicit, or direct the prohibited contribution. The district officer shall maintain records of curing the violation.

The provisions in Government Code 84308 as specified above do not apply to labor contracts, competitively bid contracts, and personal employment contracts. (Government Code 84308)

Conflict of Interest under Government Code 1090 - Financial Interest in a Contract

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest in a contract made by the Board, the contract is void. (Government Code 1090)

A Board member shall not be considered to be financially interested in a contract in which there is only a "remote interest," as specified in Government Code 1091, if the interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member or district official to enter into the contract. (Government Code 1091)

In addition, a Board member shall not be considered to be financially interested in a contract in which the interest is a "noninterest" as defined in Government Code 1091.5. Noninterest includes a Board member's interest in being reimbursed for actual and necessary expenses incurred in the performance of official duties, in the employment of a spouse/registered domestic partner who has been a district employee for at least one year prior to the Board member's election or appointment, or in any other applicable circumstance specified in Government Code 1091.5.

Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which the Board member's private or personal interest may conflict with official duties.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district.

(Government Code 1099, 1126)

Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

In addition, the limitation on gifts does not apply to informational materials such as books, reports, pamphlets, calendars, and periodicals. (Government Code 82028)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation, except when: (Government Code 89506)

1. The travel is in connection with a speech given by a Board member or designated employee, provided the lodging and subsistence expenses are limited to the day immediately preceding, the day of, and the day immediately following the speech and the travel is within the United States.
2. The travel is provided by a person or agency specified in Government Code 89506, including a government, governmental agency or authority, bona fide public or private educational institution, as defined in Revenue and Taxation Code 203, or nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code.

Gifts of travel exempted from the gift limitation, as described in Items #1 and 2 above, shall nevertheless be reportable on the recipient's Statement of Economic Interest/Form 700 as required by law.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession, unless the sole or predominant activity of the business, trade, or profession is making speeches
 2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Bylaw 9310: Board Policies

Status: DRAFT

Original Adopted Date: 06/01/1999 | **Last Revised Date:** 07/01/2018

The Governing Board shall adopt written policies to convey its expectations for actions that will be taken in the district, clarify roles and responsibilities of the Board and Superintendent, and communicate Board philosophy and positions to students, staff, parents/guardians, and the community.

The Board shall ensure that district policies align with the district's vision and goals, promote student learning and achievement, provide for consistent and fair treatment of students and staff, and proactively address equity and the provision of equal access to opportunities for all students.

The Board recognizes the importance of maintaining a policy manual that is up to date and reflects the mandates of law. Board policies are binding on the district to the extent that they do not conflict with federal or state law and are consistent with the district's collective bargaining agreements. No Board policy, bylaw, or administrative regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable federal or state law or regulations or court decisions. If any portion of a policy is found to be invalid, that invalidity shall not affect other provisions of the policy.

Policies shall be regularly reviewed at a time allocated for this purpose on the agenda of public Board meetings.

The Board shall review certain policies annually, as required by Education Code 35160.5. If no revisions are deemed necessary, the Board minutes shall nevertheless indicate that the review was conducted. Other policies shall be monitored and reviewed as specified in the policy itself or as needed to reflect changes in law or district circumstances.

Policy Development and Adoption Process

The district's policy development process shall include the following basic steps:

1. The Board and/or Superintendent or designee shall identify the need for a new policy or revision of an existing policy. The need may arise from a change in law, a new district vision statement, new goals in the local control and accountability plan, educational research or trends, an incident that has arisen in the district, or a recommendation or request from staff, a parent/guardian, or other interested person.
2. As needed, the Superintendent or designee shall gather fiscal data, staff and public input, related district policies, sample policies from the California School Boards Association or other organizations or agencies, and other useful information and data to fully inform the Board about a particular issue.
3. The Board may hold discussions during a public Board meeting to gain an understanding of the issue and provide initial direction to the Superintendent or designee. The discussion may include, but not be limited to, community expectations, staff recommendations, and the expected impact of the policy on student learning and well-being, equity, governance, and the district's fiscal resources and operational efficiency.
4. The Board or Superintendent may request that legal counsel review the draft policy as appropriate.
5. The Superintendent or designee shall develop and present a draft policy for a first reading at a public Board meeting. At its second reading, the Board may take action on the proposed policy. The Board may waive the second reading or may require an additional reading if necessary.

Only policies formally adopted by a majority vote of the Board shall constitute official Board policy.

The district's policy development process may be revised or expanded as needed based on the issue being considered, the need for more information, or the desire to provide greater opportunities for consultation and public input.

Policies shall become effective upon Board adoption or at a future date if so designated by the Board at the time of adoption.

Board Bylaws

The Board shall prescribe and enforce rules for its own governance consistent with state law and regulations. (Education Code 35010)

Bylaws governing Board operations may be developed, adopted, and amended following the same procedures as those used for the adoption or amendment of Board policy.

Administrative Regulations

The Superintendent or designee shall be responsible for developing and enforcing administrative regulations for the operation of the district. Administrative regulations shall be consistent with law and Board policy and shall be designed to promote the achievement of district goals and objectives. Administrative regulations may describe specific actions to be taken, roles and responsibilities of staff, timelines, and/or other provisions. The Superintendent or designee may also develop procedures manuals, handbooks, or other guides to carry out the intent of Board policy.

When Board policies are amended, the Superintendent or designee shall review corresponding administrative regulations to ensure that they conform to the intent of the revised policy. In case of conflict between administrative regulation and Board policy, policy shall prevail.

The Board may review and/or approve administrative regulations for the purpose of ensuring conformity with the intent of Board policy.

Monitoring and Evaluation

At any time, the Board and Superintendent or designee may determine that progress reports to the Board on the implementation and/or effectiveness of the policy should be scheduled. If so, the Board and Superintendent or designee shall agree upon a timeline and, as applicable, measures for evaluating the effectiveness of the policy in achieving its purpose.

Access to Policies

The Superintendent or designee shall ensure that all district employees and the public have access to an up-to-date district policy manual. The policy manual shall be maintained electronically and/or by paper copy.

As necessary, the Superintendent or designee shall notify staff, parents/guardians, students, and other stakeholders whenever a policy that affects them is adopted or revised. He/she may determine the appropriate communication strategy depending on the issue. Policies shall be posted on the district's web site when required by law.

Status: DRAFT

Original Adopted Date: 03/01/2008 | **Last Revised Date:** 03/01/2023

Meetings of the Governing Board are conducted for the purpose of accomplishing district business. In accordance with state open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide opportunities for questions and comments by members of the public. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and location, including teleconference location as permitted by Government Code 54953, to hear, discuss, deliberate, or take action upon any item within the subject matter jurisdiction of the Board. (Government Code 54952.2)

A majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, including social media and other electronic communications, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

However, an employee or district official may engage in separate conversations or communications with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. Any doubt about a request for accommodation shall be resolved in favor of accessibility. (Government Code 54953, 54953.2, 54954.1, 54954.2)

Notice of the procedure for receiving and resolving requests for accommodation described above shall be given in each instance in which notice of the time of a meeting is otherwise given or the agenda for the meeting is otherwise posted. (Government Code 54953)

Regular Meetings

The Board shall hold one regular meeting each month. Regular meetings shall be held at 4:00 P.M. 6:00 p.m. on the fourth Tuesday ~~third Wednesday~~ at the location identified on the meeting agenda.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's web site. (Government Code 54954.2)

Whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose or on the district web site, consistent with Government Code 54957.5, at the time the materials are distributed to all or a majority of the Board. (Government Code 54957.5)

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. (Government Code 54956)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice also shall be posted on the district's web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and location of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it

convenes. (Education Code 35144; Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board
2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification shall be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification is given to the other members of the Board about the meeting. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

Adjourned/Continued Meetings

The Board may adjourn/continue any regular or special meeting to a later time and location that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and place and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships.

Public notice shall be given in accordance with law when a quorum of the Board is attending a study session, retreat, public forum, or discussion meeting. All such meetings shall comply with the Brown Act and shall be held in open session and within district boundaries. Action items shall not be included on the agenda for these meetings.

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

Location of Meetings

Meetings shall not be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135. In addition, meetings shall not be held in a facility which is inaccessible to individuals with disabilities or where members of the public must make a payment or purchase in order to be admitted. 4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district

6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility

10. Interview a potential employee from another district

Meetings exempted from the boundary requirements, as specified in Items #1-10 above, shall still be subject to the notice and open meeting requirements for regular and special meetings when a quorum of the Board attends the meeting.

If a fire, flood, earthquake, or other emergency renders the regular meeting place unsafe, meetings shall be held for the duration of the emergency at a location designated by the Board president or designee, who shall so inform all

news media who have requested notice of special meetings by the most rapid available means of communication. (Government Code 54954)

Traditional Teleconferencing

A teleconference is a meeting of the Board in which Board members are in different locations, connected by electronic means through audio and/or video. (Government Code 54953)

All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board. (Government Code 54953)

The Board may use teleconferences for all purposes in connection with any meeting within the Board's subject matter jurisdiction.

All votes taken during a teleconference meeting shall be by roll call. (Government Code 54953)

During the teleconference, at least a quorum of the members of the Board shall participate from locations within district boundaries. (Government Code 54953)

Unless a Board member participates by teleconference pursuant to the provisions described in the sections "Teleconferencing During a Personal Emergency," "Teleconferencing For 'Just Cause'" or "Teleconferencing During a Proclaimed State of Emergency" below, agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere.

All teleconference locations shall be accessible to the public and the public shall have the right to address the Board directly at each teleconference location. Additional teleconference locations may be provided to the public. (Government Code 54953)

Teleconferencing During a Personal Emergency

Until January 1, 2026, with approval from the majority of the Board, a Board member may be permitted to participate in a meeting remotely when a physical or family medical emergency prevents the Board member from attending in person. The Board member requesting to appear remotely shall notify the Board of the emergency situation as soon as possible, and provide a concise general description of the circumstances relating to the Board member's need to appear remotely. The Board member shall not be required to disclose any disability, medical diagnosis, or personal medical information exempt under existing law. (Government Code 54953)

A Board member may not appear remotely under emergency circumstances for more than 20 percent of the Board's regular meetings or for more than three consecutive months. If the Board meets less than 10 times in a calendar year, a Board member may not appear remotely under emergency circumstances for more than two meetings. (Government Code 54953)

When a Board member is approved to participate remotely due to emergency circumstances, the Board member is not required to participate from a location which is accessible to the public and the location does not need to be identified on the agenda. (Government Code 54953)

If permitted to participate remotely, the Board member shall utilize both audio and visual technology and publicly disclose, before any action is taken, whether any other individuals 18 years or older are present in the remote location with the Board member, and the general nature of the member's relationship with such individuals. (Government Code 54953)

The district shall also provide public access to the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with public comment being allowed via the remote platform as well as in person and the public shall be able to offer comments in real time. The agenda shall include information describing how members of the public can access the platform. (Government Code 54953)

If a disruption prevents broadcasting the meeting to members of the public using the call-in option or internet-based service option, or a disruption that is within the Board's control prevents members of the public from offering public comments using the call-in option or internet-based service option, the Board shall not take action on agenda items until public access to the meeting is restored. (Government Code 54953)

Teleconferencing for "Just Cause"

A Board member may be permitted to appear remotely, pursuant to the provisions below, for just cause for no more than two meetings per calendar year. A Board member appearing for just cause shall notify the Board at the earliest possible opportunity of the need to participate in the meeting remotely, including at the start of a regular meeting. (Government Code 54953)

Just Cause may exist for any of the following: (Government Code 54953)

1. A childcare or caregiving need of a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires a Board member to participate remotely
2. A contagious illness prevents a Board member from attending in person
3. A Board member has a need related to a physical or mental disability not otherwise reasonably accommodated
4. A Board member is traveling while on official business of the Board or another state or local agency

When a Board member participates remotely for just cause, the Board member is not required to participate from a location which is accessible to the public and the location does not need to be identified on the agenda. (Government Code 54953)

If the Board member participates remotely, the Board member shall utilize both audio and visual technology and publicly disclose, before any action is taken, whether any other individuals 18 years or older are present in the remote location with the Board member, and the general nature of the member's relationship with such individuals. (Government Code 54953)

The district shall also provide public access to the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with public comment being allowed via the remote platform as well as in person and the public shall be able to offer comments in real time. The agenda shall include information describing how members of the public can access the platform. (Government Code 54953)

If a disruption prevents broadcasting the meeting to members of the public using the call-in option or internet-based service option, or a disruption that is within the Board's control prevents members of the public from offering public comments using the call-in option or internet-based service option, the Board shall not take action on agenda items until public access to the meeting is restored. (Government Code 54953)

Teleconferencing During a Proclaimed State of Emergency

Until January 1, 2024, the Board may conduct Board meetings by teleconference without posting agendas at all teleconference locations, identifying teleconference locations in meeting notices and agendas, allowing public access to each teleconference location, providing an opportunity for members of the public to address the Board directly at each teleconference location, and ensuring that at least a quorum of the Board participate from locations within district boundaries, during a proclaimed state of emergency pursuant to Government Code 8625-8629 in any of the following circumstances: (Government Code 54953)

1. State or local officials have imposed or recommended measures to promote social distancing

Bylaw 9321: Closed Session

Status: DRAFT

Original Adopted Date: 12/01/2014 | **Last Revised Date:** 07/01/2019

The Governing Board is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall hold a closed session during a regular, special, or emergency meeting only for purposes authorized by law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting, as required by law and specified below. (Government Code 54954.2)

In the open session preceding the closed session, the Board shall disclose the items to be discussed in closed session. In the closed session, the Board may consider only those matters covered in its statement. (Government Code 54957.7)

After the closed session, the Board shall reconvene in open session before adjourning the meeting and, when applicable, shall publicly disclose any action taken in the closed session, the votes or abstentions thereon, and other disclosures specified below that are applicable to the matter being addressed. Such reports may be made in writing or orally at the location announced in the agenda for the closed session. (Education Code 32281; Government Code 54957.1, 54957.7)

When an action taken during a closed session involves final approval or adoption of a document such as a contract or settlement agreement, the Superintendent or designee shall provide a copy of the document to any person present at the conclusion of the closed session who submitted a written request. If the action taken results in one or more substantive amendments, the Superintendent or designee shall make the document available the next business day or when the necessary retyping is completed. Whenever copies of an approved agreement will not be immediately released due to an amendment, the Board president shall orally summarize the substance of the amendment for those present at the end of the closed session. (Government Code 54957.1)

Confidentiality

A Board member shall not disclose confidential information received in closed session unless the Board authorizes the disclosure of that information. (Government Code 54963)

The Board shall not disclose any information that is protected by state or federal law. In addition, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

Personnel Matters

The Board may hold a closed session under the "personnel exception" to consider the appointment, employment, performance evaluation, discipline, or dismissal of an employee. Such a closed session shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957)

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee who is the subject of the complaint requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of the right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

The Board may hold a closed session to discuss an employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or release require no additional information. (Government Code 54954.5)

After the closed session, the Board shall report any action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a district employee and shall identify the title of the affected position. The report shall be given at the public meeting during which the closed session is held, except that the report of a dismissal or nonrenewal of an employment contract shall be deferred until the first public meeting after administrative remedies, if any, have been exhausted. (Government Code 54957.1)

Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the open meeting requirements of Brown Act: (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization
2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process
3. Any hearing, meeting, or investigation conducted by a fact finder or arbitrator
4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

The Board may meet in closed session, prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees, to review the Board's position and/or instruct its designated representative(s) regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation. Prior to the closed session, the Board shall identify its designated representative in open session. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. Final action on the proposed compensation of one or more unrepresented employees shall not be taken in closed session. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name(s) of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

Approval of an agreement regarding labor negotiations with represented employees pursuant to Government Code 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. This report shall identify the item approved and the other party or parties to the negotiation. (Government Code 54957.1)

Matters Related to Students

If a public hearing would lead to the disclosure of confidential student information, the Board shall meet in closed session to consider a suspension, disciplinary action, any other action against a student except expulsion, or a challenge to a student record. If a written request for open session is received from the parent/guardian or adult student, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any student other than the student requesting the public meeting shall be in closed session. (Education Code 35146, 48912, 49070)

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

Final action on a student matter deliberated in closed session shall be taken in open session and shall be a matter of public record. (Education Code 35146, 48918)

However, in taking final action, the Board shall not release any information in violation of student privacy rights provided in 20 USC 1232g or other applicable laws. In an expulsion or other disciplinary action, the cause for the disciplinary action shall be disclosed in open session, but the Board shall refer to the student number or other identifier and shall not disclose the student's name.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, district attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. Such discussions may be held in closed session during an emergency meeting called pursuant to Government Code 54956.5 if agreed to by a two-thirds vote of the Board members present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present. (Government Code 54956.5, 54957)

Agenda items related to these security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

The Board may meet in closed session to consult with law enforcement officials on the development of a plan for tactical responses to criminal incidents and to approve the plan. Following the closed session, the Board shall report any action taken to approve the plan, but need not disclose the district's plan for tactical responses. (Education Code 32281)

Real Property Negotiations

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s), the property under negotiation, and the person(s) with whom the negotiator may negotiate. For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

When the Board approves a final agreement concluding real estate negotiations pursuant to Government Code 54956.8, it shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held. If final approval rests with the other party to the negotiations, the Superintendent or designee shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the district of its approval. (Government Code 54957.1)

Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding pending litigation when discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances: (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally. (Government Code 54956.9(d)(1))
2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(d)(2), (3))

Existing facts and circumstances for these purposes are limited to the following: (Government Code 54956.9)

- a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiff(s) and which do not need to be disclosed.
 - b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiff(s) and which must be publicly disclosed before the closed session or specified on the agenda.
 - c. The receipt of a claim pursuant to the Government Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.
 - d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.
 - e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat of litigation on the victim's behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.
3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(d)(4))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9 (d)(1), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(d)(2) or (3) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(d)(4) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information regarding existing facts and circumstances described in item #2 b-e above. (Government Code 54954.5)

Following the closed session, the Board shall publicly report, as applicable: (Government Code 54957.1)

1. Approval to legal counsel to defend, appeal or not appeal, or otherwise appear in litigation. This report shall identify the adverse parties, if known, and the substance of the litigation.
2. Approval to legal counsel to initiate or intervene in a lawsuit. This report shall state that directions to initiate or intervene in the action have been given and that the action, defendants, and other details will be disclosed to inquiring parties after the lawsuit is commenced unless doing so would jeopardize the district's ability to serve process on unserved parties or its ability to conclude existing settlement negotiations to its advantage.
3. Acceptance of a signed offer from the other party or parties which finalizes the settlement of pending litigation. This report shall state the substance of the agreement.

If approval is given to legal counsel to settle pending litigation but final approval rests with the other party or with the court, the district shall report the fact of approval and the substance of the agreement thereon to persons who inquire once the settlement is final. (Government Code 54957.1)

Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

Following the closed session, the Board shall publicly report the disposition of joint powers agency or self-insurance claims, including the name of the claimant(s), the name of the agency claimed against, the substance of the claim, and the monetary settlement agreed upon by the claimant. (Government Code 54957.1)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may also meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA that has direct financial or liability implications for the district. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the name of the JPA, the closed session description used by the JPA, and the name of the Board member representing the district on the JPA board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included. (Government Code 54954.5)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Closed session agenda items related to an audit by the California State Auditor's Office shall state "Audit by California State Auditor's Office." (Government Code 54954.5)

Following the closed session, the Board shall publicly confirm that the report was reviewed and a response was prepared.

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

Following the closed session, the Board shall confirm that the assessment instruments were reviewed. Any actions related to the review shall be taken in open session without revealing any proprietary or confidential information and shall be a matter of public record.

Bylaw 9322: Agenda/Meeting Materials

Status: DRAFT

Original Adopted Date: 03/01/2008 | **Last Revised Date:** 06/01/2023

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location and shall briefly describe each item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. (Education Code 35145.5; Government Code 54954.3)

The agenda does not need to provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item, and the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The notice and agenda shall describe the means available for the public to access the meeting and provide public comment in-person and, if a Board member is appearing remotely due to an emergency circumstance or for just cause pursuant to Government Code 54953, through an internet-based service or call-in option. (Government Code 54953)

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the Board meeting, as well as the procedure for receiving and resolving such requests as required by law. (Government Code 54954.2, 54953)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Agenda Preparation

The Board president, Board clerk, and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information, and if so, respond accordingly.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board take action during a Board meeting to determine whether the item shall be placed on the agenda.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, whether the item should be an action item subject to Board vote or an information item, and when the item is placed on the agenda.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a

single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a separate agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item unless such item has been previously considered at an open meeting of a committee comprised exclusively of Board members. (Government Code 54954.3)

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting.

When special meetings are called, Board members shall receive, at least 24 hours prior to the meeting, notice of the business to be transacted. (Government Code 54956)

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Agenda Dissemination to Members of the Public

Agenda and related materials distributed to the Board shall be made available to the public upon request without delay. However, only those documents which are disclosable public records under the Public Records Act (PRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting or which contain a claim or written threat of litigation which will be discussed in closed session shall be made available to the public. (Government Code 54956.9, 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

In addition, the Superintendent or designee shall post the agenda on the homepage of the district website. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the website with the district's agendas, and the current agenda shall be the first available. (Government Code 54954.2)

If a writing which relates to an open session agenda item or which contains a claim or written threat of litigation which will be discussed in closed session during a regular Board meeting is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the writing available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board. However, if the writing is distributed to at least a majority of the Board at a time when the designated location is closed to the public, this requirement may be satisfied by posting the writing on the district website if the following conditions are met: (Government Code 54957.5)

1. An initial staff report or similar document containing an executive summary and any staff recommendations related to the agenda item is made available for public inspection at the designated location at least 72 hours before the meeting
2. The writing is immediately posted on the district's website in a position and manner that makes it clear that the writing relates to an agenda item for the upcoming meeting

3. The district lists the website address where such writings may be accessed on all Board meeting agendas
4. A physical copy of the document is made available for public inspection at the designated location at the beginning of the next regular business hours, but not less than 24 hours before the relevant Board meeting

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

The Superintendent or designee shall email a copy of, or a website link to, the agenda or a copy of all the documents constituting the agenda packet to any person who requests such items to be delivered by email. If the Superintendent or designee determines that it is technologically infeasible to do so, a copy of the agenda or a website link to the agenda and a copy of all other documents constituting the agenda packet shall be sent to the person who has made the request in accordance with mailing requirements specified in law. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the PRA. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Bylaw 9323: Meeting Conduct

Status: DRAFT

Original Adopted Date: 11/01/2006 | **Last Revised Date:** 12/01/2022

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned by 10:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and, if necessary, may subsequently be adjourned to a later date.

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, the abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except that if the meeting is conducted using remote public participation or with a Board member attending remotely pursuant to Government Code 54953, a member of the public desiring to provide comment through the use of a third party internet website or online platform may be required to register as required by the third party provider.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5; Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5; Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed

since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

In general, individual speakers will be allowed three minutes to address the Board on each agenda or nonagenda item, and the Board will limit the total time for public input on each item to 20 minutes. However, in exceptional circumstances when necessary to ensure full opportunity for public input, the Board president may, with Board consent, adjust the amount of time allowed for public input and/or the time allotted for each speaker. Any such adjustment shall be done equitably so as to allow a diversity of viewpoints. The president may also ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:
 - a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)
 - c. The Board shall not prohibit public criticism of district employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.
7. The Board president shall not permit actual disruption of Board meetings. Actual disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board and remove the individual from the meeting.

The Board President or designee may remove an individual for actually disrupting the meeting. Prior to removal, the individual shall be warned that their behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board president, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When disruptive conduct occurs, the Board may decide to recess the meeting to help restore order, or if removing the disruptive individual(s) or clearing the room is infeasible, move the meeting to another location. The Board may direct the Superintendent or designee to contact local law enforcement as necessary.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

The demand shall clearly describe the challenged action and the nature of the alleged violation and shall be presented to the Board in writing within 90 days of the date when the action was taken. (Government Code 54960.1)

1. Cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct.
 2. Determine not to cure or correct the alleged violation and inform the demanding party in writing of its decision to not cure or correct.

Bylaw 9400: Board Self-Evaluation

Status: DRAFT

Original Adopted Date: 09/01/1988 | **Last Revised Date:** 07/01/2017

The Governing Board shall annually conduct a self-evaluation in order to demonstrate accountability to the community and ensure that district governance effectively supports student achievement and the attainment of the district's vision and goals.

The evaluation may address any area of Board responsibility, including, but not limited to, Board performance in relation to vision setting, curriculum, personnel, finance, policy development, collective bargaining, community relations, and advocacy. The evaluation may also address objectives related to Board meeting operations, relationships among Board members, relationship with the Superintendent, understanding of Board and Superintendent roles and responsibilities, communication skills, or other governance or boardmanship skills.

The Board shall evaluate itself as a whole. Individual Board members are also expected to use the evaluation process as an opportunity to assess and set goals for their own personal performance.

Each year, the Board, with assistance from the Superintendent, shall determine an evaluation method or instrument that measures key components of board responsibility and previously identified performance objectives. Visual and/or audio recordings of a Board meeting may only be used as an evaluation tool when consent is given by all Board members.

Any discussion involving the Board's self-evaluation shall be conducted in open session.

At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or other individual(s) with pertinent information to provide input into the evaluation process.

Following the evaluation, the Board shall set goals, define and/or refine protocols, and establish priorities and objectives for the following year's evaluation. The Board shall also develop strategies for strengthening Board performance based on identified areas of need, including, but not limited to, Board trainings such as those offered by the California School Boards Association.
