Car Line

Thanks to everyone's cooperation, carline continues to improve. **All cars should be on the parking lot no sooner than 2:30 and no later than 3:25 pm.** PikMyKid is a time-saving program when used correctly. Here are some important reminders that make the program function correctly and will speed up the process even more:

- ✓ **Announce your arrival on the PikMyKid App** when you arrive at the parking lot. When you announce your child(ren) as a Car Rider or as a Walker, each child's name appears on the screens of the staff loading cars and on the screen in the classroom prompting teachers to send your child(ren) to the correct pickup area.
- ✓ **Share carline procedures with anyone you've delegated to pick up your child.** Everyone is asked to stay in the car line. No one may park and walk up to the white gate area to pick up a child.
- ✓ **Late fees will be charged for pick ups later than 3:30 pm.** After 3:30 we do not have staff to supervise children who have not been picked up.
