

**A STEM-FOCUSED
COLLEGE SCHOLARSHIP
FOR THE INNOVATORS
OF TOMORROW!**

Greetings!

It's Go Time for the Lariat Future Innovators Foundation STEM Scholarship!

We're following up on our previous letter to stress the urgency of the moment and to remind you of the critical role you play in encouraging eligible students to apply.

The application window for the Lariat STEM Scholarship **opens on January 31, 2025, and the final deadline for submissions is June 15, 2025.** This is the time for action, and we need your support to ensure that deserving students do not miss this life-changing opportunity.

The Lariat STEM Scholarship is designed to empower students aged 18 to 24 who are pursuing degrees in science, technology, engineering and math. The financial assistance provided to award recipients is ongoing and substantial:

\$6,000
as a Freshman

\$6,000
as a Sophomore

\$8,000
as a Junior

\$10,000
as a Senior

Eligibility hinges on the student's background and academic prowess, and includes the following criteria:

- Be aged 18 to 24 pursuing degrees in science, technology, engineering and math.
- Hail from a small town with a population of 25,000 or less.
- Have a family household income of \$55,000 or less.
- Be a highly motivated individual with a track record of excelling in projects or winning science/math awards.
- Have strong performance in math and science (3.5 GPA or above, AP courses).

To help spread the message of this opportunity, we have included a poster to display in your school. This will serve as a visible and constant reminder to students, encouraging them to learn more about this scholarship and to complete the application.

Thank you for your unwavering dedication to empowering your students' educational and career journeys. Now, let's act with urgency to make sure no eligible student misses out on this chance!

Warm regards,

A handwritten signature in cursive script that reads "Jason Wilson".
