Re: Request for Proposals: Instructional Support

August 2022

To Whom It May Concern,

Carroll County School District is requesting proposals for Instructional Coaching and Support to meet the academic needs of our teachers and students for the 2022-2023 school year. Our district encompasses two schools, Marshall Elementary School (Pre-K- 5) with enrollment around 450 students, and J.Z. George High School (6-12) with enrollment around 450 students. We are seeking a proposal for district- wide services to support instruction in grades Pre-K through 12.

Proposals are being requested to address the following areas:

- Leadership Training (10 days)
- Special Education (10 days)
- District Data Management (Individual Student by Class)
- ELA, Math, Science, English II, Algebra I, US History, Biology Teacher Coaching Support (20 days each ELA/Math per school; 10 days each Science, Biology, US History)
- Student Remediation (One on One, Small Groups) (20 days each ELA/Math per school)

Proposals should include the following:

- A complete description of services offered
- A description of how progress will be monitored
- A description of how feedback will be communicated to the district
- A sustainability plan for the schools
- A list of references associated with Mississippi Public Schools
- Budget/Cost Summary

Proposals should be submitted (emailed: sjohnson@ccsd.ms or faxed 662-237-4626) to Sara Johnson, Federal Programs Director for Carroll County School District.

Proposals are due November 4, 2022 by 11:00 a.m. and will be reviewed within two weeks by our leadership team. Thank you in advance for your submission.
