Oshkosh Area School District Assistant Superintendent of Operations Accepts Superintendent Role in Florida

Oshkosh, WI - The Oshkosh Area School District announced today that Julie Conrad-Peters, assistant superintendent of operations, has been selected as the next superintendent of Lake Wales Charter Schools in Lake Wales, Florida. The Florida district announced her selection on Thursday.

Conrad-Peters has dedicated her entire 33-year career to the Oshkosh Area School District, serving in a diverse range of roles including high school teacher, department chair, high school assistant principal, middle school principal, and director of curriculum and assessment, before embracing her current role as assistant superintendent of operations.

"Julie has been a tremendous asset to the Oshkosh Area School District and community for over three decades," said Dr. Bryan Davis, superintendent of the Oshkosh Area School District. "Her leadership and deep commitment have truly impacted our students and our operations. While we are sad to see her go, this is a remarkable and well-deserved opportunity for her professional growth, and allows her to be closer to her family in Florida. We extend our deepest gratitude for her service and wish her every success in her new role."

Ms. Conrad-Peters has been pivotal in leading district operations for the last two years, overseeing the district's facilities, safety, transportation, food services, and overall operational efficiency to ensure a safe and effective learning environment for thousands of students annually.

The transition timeline for Ms. Conrad-Peters is being finalized, and the Oshkosh Area School District will begin the search for its next assistant superintendent of operations in the coming weeks. The district is committed to ensuring a smooth and effective transition.

About the OASD: *Building community through education. The Oshkosh Area School District is located in Oshkosh, Wisconsin, serving over 9,000 students and operating 11 elementary schools, four middle schools, two high schools, a K-12 eAcademy, and an early learning and 4K program.
