g8math_tnreview5	8	SuccessMaker2 2
------------------	---	--------------------

See *SuccessMaker Math* Digital Reviewer's Guide [here](#). Use pages 5-9 of the Digital Reviewer's Guide to review the adaptive student experience and use pages 10+ to explore the teacher experience features. The teacher logins have preloaded sample student data to demonstrate the progress monitoring tools in the program. These students have an "8" in front of their names, please do not edit students' information.
