

SHAC Committee Notes for September 23,2026

Updates:

Nurse

The nurse reports seeing 306 students, seeing or talking to 42 parents on the phone, giving 99 medications, and sending 13 students home.

Also having completed her screenings for the year. Still needing one last student for immunizations.

School Counselor

Report attached

Cafeteria

Has gotten a new person that helps with the orders, so she is notified now with all substitutions.

The school has whole milk back as an option for the students and sometimes strawberry milk.

Student numbers are down eating in the cafeteria and unsure why. On Fridays they have started the grab and go lunches and a Steer Spirit Cake.

P.E.

Not much to report at this time, kids are playing lots of games and getting lots of exercise while she has them.

New Business

Needing to vote for a new Co-chair

Only 2 moms showed and Briley Landers volunteered.

Old Business

None at this time

Meeting was adjourned at 1614

Next meeting will be Oct. 28th @ 4PM
