

## Healthy Changes in Our School Cafeterias!

Dear Tri-Township Consolidated School Corporation families,

This fall, Tri-Township Consolidated School Corporation, school cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. Starting in School Year 2012-2013, school lunches will meet additional standards requiring:

- Age-appropriate calorie limits
- Larger servings of vegetables and fruits (students must take at least one serving of produce)
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Fat-free or 1% milk (flavored milk must be fat-free)
- More whole grains
- And less sodium

We're always working to offer Tri-Township Consolidated School Corp. students healthier and tastier choices.

School meals are a great value and a huge convenience for busy families too! Due to the rising food costs and federal law requirements, we have found it necessary to raise our lunch prices. Elementary prices will be \$2.15 a day and middle and high school prices \$2.25. Breakfast will remain the same at \$1.50 daily.

Thank you!
