GOOD NEWS REPORT

- We had a really good turnout for our traditional Chili Festival. It was very successful and it was great to have everyone, especially parents, back in the building.
- We did celebrate Veterans Day with a program featuring some of our 4th grade students. Veterans and parents of any 4th grade student were all invited. We loved the way our new sound system sounded.
- Last week was United Way week. Staff members beat the 5th grade in our annual Dodgeball game. Money was raised to donate to United Way. If Millbrooke Elementary wins in our district, our principal's will each take a pie to the face.
- We will be hosting a Christmas themed reading night next Tuesday. It will be a fun night featuring Santa and making reindeer food.
- Mrs. Owen shared some of the results of the Tudor Survey. Staff results were very high. Overall our score was a 4.2 out of 5. 49 parents took this survey. Most answers were above a 4 with 4.2 being the average. Overall the comments were very good – parents really like Dojo and getting immediate feedback.

STUDENT ACHIEVEMENT

- MAP testing will begin December 1, 2022 for fourth, fifth, and sixth grade. We will arena test this time just like KSA. Students that get a scribe or reader will have a testing buddy to give accommodations. We want students to be comfortable with their buddy so they will test better. Students that meet or exceed their growth or mean score will receive a prize.

POLICY REVIEW

Mrs. Owen presented the Grading Policy for the 2nd reading. The only thing that was added was to drop the lowest grade in every subject each 9 weeks.

A motion was made and passed by consensus to accept the Grading Policy as presented. Motion carries.

CSIP - Mrs. Owen went over progress proficiency with the council. Our objective is to go from 45% to 54.7% or above in Reading. 46 to 64% in Math; 31 to 40% in Science, and 33 to 50% in Writing. Goal for achievement gap for students with disabilities. Will reduce the percentage of students with disabilities scoring novice in reading from 66% to 56%.

A motion was made and passed by consensus to accept the CSIP as presented. Motion carries.
