

PICKENS COUNTY SCHOOLS

Worthless Checks Policy

The Pickens County Board of Education Child Nutrition Program does not recognize bad debt. The face value of a check returned for insufficient funds (NSF) may not be absorbed as a cost by state, federal or public local funds since an uncollected check is considered a bad debt. The principal shall exercise due diligence in the acceptance of checks and in the collection of NSF checks. The district will only allow two NSF checks before requiring cash payments. A list of individuals who have submitted bad checks during the school year is to be maintained in order to prevent the receipt of any further checks from those individuals.

Uncollected NSF checks may not be written off. Necessary actions must be taken to collect the check amount in compliance with and through the contracted check recovery company. Documentation of those actions and procedures are to be maintained. The recovery company has agreed to pay for the checks up front as long as there is a name and a phone number. Non-public funds must be used to cover any NSF check in state, federal or public funds accounts at school year end.
