

Call Out for November 19, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

Over the last week we have only had one employee and one student report testing positive with COVID which are our lowest numbers thus far. We continue to encourage everyone to take any necessary precautions, especially those with health issues.

Next week all students and employees will be out for Thanksgiving Holidays. When we return, there will only be three weeks until Christmas vacation and the end of first semester. We encourage you to follow up with your child to make sure all assignments are complete and support them as they prepare for midterm exams.

This week is the second annual Alabama State Department of Education "Thank Alabama Teachers Week." I want to take this opportunity to thank our Elmore County teachers for their dedication and hard work and for investing in the lives of their students every day.

Finally, if you would prefer to get my call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

We appreciate your support and hope you have great Thanksgiving Holiday!

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
