

January's Hive Newsletter

2026

What's Happening This Month....

We hope everyone enjoyed their Christmas break! After those 2 weeks of rest, we now say hello to January, which also means that the second semester of school has officially begun. You may also be on the lookout for report cards. All report cards will be sent home with students on this Friday, January 9th.

Just a reminder that school will be in session on Martin Luther King Jr. Day, January 19th, 2026. This was originally scheduled as a built in snow/makeup day. With school being closed early in December, we now need to use the built in day. As this winter progresses, any days that school is called off, due to weather, will now be e-learning days. All students have a folder specifically for these e-learning days. Their folder should have any work in it that will need to be completed only if school is closed for weather in the future. A reminder that students must complete their e-learning assignments and turn these into their teachers upon returning to school. Students will be counted as absent if they do not complete these assignments and turn them in on time.

It has become cold outside. Please make sure your child comes dressed to go outside for recess. If your child is in need of a winter coat and you are needing assistance with this, please reach out to Mrs. Gutzwiller at pgutzwiller@fccsc.k12.in.us. We also have students who forget their coats or hoodies outside. We usually bring these in and place them on the coat hooks for them to identify and take home. A good idea would be to write your child's name on the inside tag of the coat to help them identify theirs and make sure they are taking home the correct one.

Just a reminder to our parents, please make sure that you are using the proper channels when communicating with your student's teacher or the office. We have multiple ways you can use such as calling the school office at 765-698-3851, sending office staff or teachers an email or

communicating through class dojo for teachers who use that. All email addresses for staff usually begin with the letter of their first name, then their last name, and then @fccsc.k12.in.us. These can also be found on the school website under Contacts->Building Staff Directory. Please understand that communication by Facebook, Instagram, or other social media messenger apps can not be accepted. By using the school emails and telephone instead of media apps this also helps keep your information private.

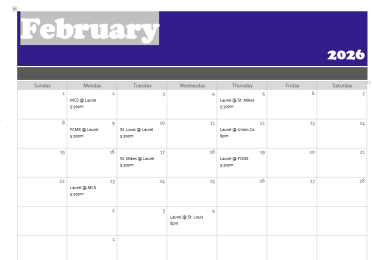

Are you interested in becoming more involved with your students school? Our parent teacher organization, The Jacket Backers, would be a great way to do that. They are always organizing events and fun opportunities for our students. If you would like to volunteer to help out please send them a message via our facebook page or contact Kaleigh Hammond or Jessica Couch.
