

## GO Through What You GROW Through!

Dear Parent or Guardian,

Congratulations! Your child, \_\_\_\_\_ has been chosen as one of our applicants for the after-school program. We are so very excited for your child to join us on **September 13, 2021** for our first day. Your student will receive an after-school snack, homework help, tutoring, active time, and a variety of educationally fun activities. Our Coaches in Residence or teachers have been working tirelessly to create this program to give students additional academic, physical, social, and emotional support. We are so excited to begin working with your child!

The program will run Monday through Thursday from afterschool until 5:35 PM until our final date of **May 6, 2022**. ***As stated in the application, students will need to attend 85% of the program in order to maintain their place in the after-school program.*** Attendance will be kept and monitored. If attendance becomes an issue, you will be contacted and your spot may be given to someone on our waiting list. In order to go to the after-school program, you must attend school.

We are very excited for all of the amazing activities, trips, and experiences that we have planned for our after-school children. Because of this, students must behave both in the classroom and after-school. **Students who do not behave will be asked to leave the program and their spot will be given to someone who is on our waiting list.**

Thank you for giving us the honor of being able to tutor, mentor, grow, and have a blast with your student. **If for any reason, your plans have changed and you do not desire your student to attend the after-school program, please let us know as soon as possible so we can give another child your child's slot.** We look forward to seeing your child on September 13<sup>th</sup>!
