### **ATTENDANCE**

#### **Absences**

After being absent from one or more classes you will bring a written excuse from your parent/s, or a doctor, dentist, court, or funeral note to the office on the day of your return between 7:40 A.M. and 8 A.M. The absence will be recorded as excused or unexcused. If a note is not presented, the absence/s will be unexcused.

Make-up work will be given for absences. It will be at the teacher's discretion how much time is given to make up any work missed during an absence. **Any student with an unexcused absence is ineligible to attend the Academic Banquet or to be a nominee for the Wall of Fame.**

For doctor certified long illnesses, a homebound teacher is available through the Special Education Director's office.

#### **The Wayne County High School attendance policy is as follows:**

1. Wayne County High School students will be given four excused absences each semester with the submission of a parent note. Absences over four will be excused only by a doctor/dentist's note, death in the immediate family, and/or a documented court

appearance. All fall semester notes must be turned in by the last day of the fall semester to be considered excused. You will not be allowed to turn in any notes after Christmas break for the fall semester.

1. Wayne County High School will implement the Attendance Call Home program. In order to improve communication with parents, an automated calling program will notify parents when their child is absent. Parents can expect these calls after 10:30 a.m. on the day that their child misses school.
2. If a student misses over 8 days in a semester class and 4 days in any quarter classes, that student will owe make-up time hour for hour. That time will be required regardless of whether the absences are excused or unexcused. The recommended method of making up time will be in an academic setting during after school tutoring. However, other forms of activities may be arranged to serve as acceptable make-up time.
3. Per board policy, parents will be notified by letter from the school after five days of unexcused absences. If the parent does not provide adequate documentation within adequate time excusing those absences or request an attendance hearing, then the progression truancy intervention plan described below shall be implemented prior to referral to juvenile court:

#### **Tier I—Five Unexcused Absences**

Tier I of the truancy intervention plan shall include the following:

1. A conference with the student and the student's parent(s)/guardians
2. An attendance contract based on the conference, signed by the student, the parent(s)/guardian(s), and an attendance supervisor or designee. The attendance contract shall include:
  - a. A specific description of the school's attendance expectations for the student
  - b. The period for which the contract is effective, and

- c. Penalties for additional absences and alleged school offenses, including additional
  - d. disciplinary action and potential referral to juvenile court, and
3. Regularly scheduled follow-up meetings to discuss the student's progress

### **Tier II—Seven Unexcused Absences**

If a student accumulates additional unexcused absences in violation of the attendance contract in Tier I, the student will be subject to Tier II.

Under this tier, a school employee shall conduct an individualized assessment detailing the reasons a student has been absent from school. The employee may refer the student to counseling, community-based services, or other services to address the student's attendance problems.

### **Tier III—Nine Unexcused Absences**

This tier shall be implemented if the truancy interventions under Tier II are unsuccessful.

These interventions shall be determined by a team formed at each school. The interventions shall address student needs in an age-appropriate manner. Finalized plans shall be approved by the Director of Schools/designee.
