

Ms. Stokes' Classroom Management Plan

Each teacher's plan must be approved by the principal before the 10th day of instruction for students during each academic year. Principals are authorized to set a deadline for submission of plans that provides them with ample time to review and approve plans/ seek revisions.

Classroom Rules:

Students will listen and follow directions the first time.

Students will keep hands and feet to themselves.

Students must raise their hands and not blurt out.

Students must work quietly and use kind words when working with a group or partner.

Students will walk quietly and in a straight line.

Students will respect the classroom and take care of property.

Classroom Procedures:

Entering the classroom: Enter quietly, review rules, and start daily lesson.

Ending class: Clean up area, put supplies back, gather completed work and line up on the red dot.

Consequences:

Verbal warning
