

Math is

s n o w

much fun at
SCPS!

Join us for a night of fun!

Thursday, January 25, 2024
5:30 p.m.
SCPS Cafeteria & Gym

We cannot wait to welcome our students and their families to our fun-filled math night. Teachers will have games centered around math standards that are being taught in the classroom. Specific skills games will target: number recognition, one-to-one correspondences, measurement, sorting, addition, and subtraction.

You will learn ways to make math
SNOW MUCH FUN!!!

Workshop Goals:

- Families will have the opportunity to play math games. The games will focus on standards taught in the classroom.
- Parents will learn ways to help their child at home with math skills relevant to one-to-one correspondence, measurement, categories, addition, and subtraction.
- Parents will learn tips and tricks to help motivate their child in math.
- Parents will receive resources with directions for math activities and games that can be used at home with their child.

This is a Title I Family Engagement Event
