One Conference - One Heart Supporting Coen Brown

Coen Brown, a 2022 Sacred Heart Graduate, had just returned from his college visit in Florida, he started having some pain in his chest & legs. After much testing doctors found 2 masses. One on his right shoulder adjacent to his spine and one on his left rib/lung. Pathology results found it is Desmoplastic Small Round Cell Tumors, the rarest of rare and less than 20 cases a year are seen. This is an aggressive cancer. Coen is a fighter and about to begin his 2nd round of chemo treatments.

As the Kaysinger Conference, let's show our support for this family. Proceeds from the shirt sales will go to the Brown Family.
