## Out-of-District Enrollment Information

**Please read all the information on all the pages. At the end, you will be able to click on the link to apply for out of district enrollment.**

### For all Out-Of-District Applicants

- For grades 2-8, a copy of the student's latest report card is requested. For grades 9-12, we request a copy of the student's latest transcripts.
- A copy of the application and report card/transcript is sent to the principal to review grades and attendance. The principal will respond if they wish to accept/deny the student based on grades, attendance, and space available. The Superintendent has the final authority to accept or deny any applicant.
- Parents will receive a letter of acceptance or denial by July. The largest number of applicants is normally received in May. Space available is reassessed in June, July, and again just before school begins.
- Acceptance letters are sent in May, June, and July as students are approved. Denial letters are sent in July.
- Parents are given the opportunity to make two payments of the tuition owed. If parents choose to pay in full at the first payment, they receive a 10% discount.
- Class assignments and schedules are not given to any out-of-district student until the tuition is paid in full. The Central Office works closely with the school offices to provide a list of students who have outstanding tuition balances so they will know if an assignment or schedule needs to be held.
- Special consideration for acceptance and fee waived may include, but is not limited to, military service, federal employment, location of residence, and/or economic contribution to Elmore County.

### Current Out-Of- District Students

- In late January/early February, principals review the attendance and discipline of any out-of-district student(s) in their schools and recommends to the superintendent whether to accept the out-of-district student for the upcoming school year. The superintendent will notify the parent in writing that their child will not be accepted for the upcoming school year.
- If it is discovered that parents have moved outside the Elmore County School District and did not change their address, an "it has been brought to our attention" letter is sent to the parents giving them the option to provide proof of residence in Elmore County School District or pay tuition to remain in Elmore County schools. If there are attendance or discipline issues with the student(s), they parent must provide proof of residence or withdraw the student(s).
- For all other current students, a letter with tuition/payment information and Request to Renew Enrollment form is sent to the parent/guardian by early March. A form is required for each student when the first payment is made.
