Demarest, NJ October 13, 2016 –

On Wednesday, October 19<sup>th</sup>, Demarest Public Schools are celebrating International Walk to School month. Students, community leaders and teachers will meet together for a healthy breakfast, giveaways and a raffle. The gathering will begin at 7:30 a.m. at the gazebo in town for yummy smoothies and healthy breakfast treats then, together, the group will walk to all three schools! This wonderful event is sponsored by the Demarest PTO. Demarest kids are doing their part to help reduce carbon emissions and traffic congestion while getting good exercise too!
