ARTICLE I PREAMBLE

This Agreement is negotiated under the Municipal Employee Relations Act, §§7-767, *et seq.*, of the Connecticut General Statutes in order to fix for its term the salaries and other terms and conditions of employment provided herein.

ARTICLE II RECOGNITION

- A. The Board recognizes the Union as the exclusive representative of all regularly scheduled Professional Registered Nurses and Licensed Practical Nurses with respect to rates of pay, wages, hours of employment and other mandatory conditions of employment. Employment categories shall include (but not be limited to) school-based nurses; nurses assigned as "one-to-one" student nurses; transportation nurses; part-time nurses, and probationary nurses. Employees excluded are substitutes, temporary employees, seasonal employees and all statutory exclusions.
- B. Unless otherwise indicated, the term "nurse", when used hereinafter in the agreement, shall refer to any employee or group of employees as defined in A above.
- C. The words "Board of Education" or "Board," as used in this Agreement, shall mean the Board or its designee.
- D. The words "Superintendent of Schools" or "Superintendent," as used in this Agreement, shall mean the Superintendent or his/her designee.
- E. The term "she" shall denote she or he.

ARTICLE III PROFESSIONAL NEGOTIATIONS

As part of the routine distribution of the budget to key organizations and people after it is first given to the Board, the Union will receive a copy of the Superintendent's proposed budget, which may be an electronic or hard copy.

ARTICLE IV
MANAGEMENT RIGHTS

It is recognized that the Board has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the public schools in Rocky Hill in all its aspects, including but not limited to the following: to decide the methods, procedures and means of conducting the work; to select, hire and demote employees; to discharge and otherwise discipline any employee; to promote, transfer and layoff employees; to decide the need for facilities; to determine shift schedules; to establish or continue policies, practices and procedures for the conduct of business and the management of operations of the schools, and from time-to-time to change or abolish such policies, practices or procedures. These rights, responsibilities and prerogatives are not subject to delegation beyond the school administration and Board in whole or in part, except the same shall not be exercised in a manner inconsistent with or in violation of the specific terms or provisions of this Agreement.

ARTICLE V
GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this grievance procedure is to expeditiously resolve grievances at the lowest level of the administration. The parties-in-interest shall agree that the proceedings be kept as confidential as allowed by law.
2. Nothing contained herein shall be construed as limiting the right of any nurse of the unit to discuss informally a concern or a problem with any appropriate member of the school administration.

B. Definitions

1. A grievance shall mean a complaint by a nurse:
 - a. That alleges there has been a violation, misinterpretation or misapplication of a specific provision or provisions of this Agreement which relates to or involves the grieving nurse or nurses; or
 - b. That she has been treated unfairly or inequitably by reason of an act or condition which is contrary to established Board policy or administrative practice governing or affecting employees. Grievances falling in this category may not be submitted to arbitration under "Level 4".
2. As used in this article, the term "nurse" shall also mean a group of nurses having the same grievance which has been submitted on an appropriate form signed by them or their designated representative.

3. As used in this article, the term "principal" shall mean principal or other appropriate administrator.
4. "Party-in-interest" shall mean the person or persons, as defined in B(2) above, making the claim, including their designated representative as provided herein, and any person(s) who might be required to take action or against whom action might be taken in order to resolve the problem.
5. "Days" shall mean days when school is in session except that from the end of the nursing assignment in June until the start of school in August when the term "day" shall mean weekday excluding Saturday, Sunday, legal holidays, and the scheduled vacations, of the parties-in-interest, of reasonable length not exceeding two (2) weeks.

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as maximum. The time limits specified may, however, be extended by written agreement of the parties-in-interest.
2. The nurse must file a written, formal grievance within twenty (20) days after she knew or should have known of the act or condition upon which the grievance is based. If the nurse fails to file a formal written grievance within this time, the grievance shall be waived.
3. Failure by the aggrieved party-in-interest at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
4. All parties-in-interest shall exchange all requested materials with all reasonable promptness.

D. Formal Procedures

1. Level One - School Principal
 - a. If an aggrieved nurse is not satisfied with the outcome of an informal procedure, if used, she may pursue the formal grievance procedure. In so doing, she must present a claim as a formal grievance to the principal within the time limits specified in subsection C(2) and must cite the statement in the Professional Agreement which she alleges has been violated, the alleged facts and the remedy requested.

Time worked in excess of a normal work day will be preapproved by a school administrator except in emergencies. Overtime pay (one and one-half times the base hourly rate) will be granted to any nurse who actually works more than forty (40) hours in a week. Hours actually worked between thirty-seven and a half (37.5) and forty (40) in a week will be compensated in straight time.
