MONDAY DECEMBER 9, 2024

PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Calling all thrill seekers and powder hounds! Are you ready to shred some gnar and carve some serious lines? Well, buckle up your boots and grab your poles, because the Midland High Ski Club is back and we're ready to hit the slopes! We will have our first official club meeting on Wednesday December 11th after school in Mr. Little's room. Room 342. If you're an experienced thrill seeker or wanting to try something new the MHS Ski Club is for you!

NHS is hosting a drop-in exam study session with NHS tutors on Monday, December 16, 2024, from 2:30 PM to 4:30 PM in the Media Center. Bring your review materials. Tutors for all subjects are available if you need help or a study buddy. No need to RSVP; drop in! Snacks and Refreshments Included!

Attention Seniors! Senior merch will be available for purchase this Wednesday through Friday in eyeball alley. Help raise money for NHS and get a shirt as a keepsake! You don't want to miss out! Prices vary by item.

Attention BPA members: Our last meeting before Regionals is this Thursday, December 12th at 7:00PM in the **EVENING** in Dr. Cronk's room. This is a mandatory meeting for everyone that is attending Regionals. You will get your Regional event schedule at the meeting.

Thank you to those of you who have signed up to sponsor a fellow Chemic for Adopt-a-Chemic. If you are looking for the link to sign-up, you can find it in your email from Ms. Albright. Collections for this program will continue all week in 3rd-hour classes. Any amount you are able to contribute is GREATLY APPRECIATED! Remember, the top 3 classes that contribute the greatest amount per person will choose from one of the following prizes:

- Pizza for your class
- Hot chocolate bar
- Cookies for your class

This Thursday, December 12, from 2:45 - 4:00 p.m., the student council will be offering cookie and ornament decorating in the cafeteria (or until supplies run out). This is a free event and we hope you will join us!

It is MHS MISSION MONDAY!

“Everything we do is a representation of Chemic Pride”. Chemics are ENGAGED.

Engaged students are not just absorbing content, they try to make meaning of what they are studying by putting in intellectual effort and working through challenging ideas. Engaged learners care about the subject, feel motivated or excited to learn, and take ownership of their own learning.

Eric Thomas Quote: “Don't expect front row seats if you're giving nosebleed effort.”

**MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS
MONDAY DECEMBER 9, 2024**

“Effort” is the input or the exertion of physical or mental power. “Engagement” is the process of encouragement, motivation, curiosity and enthusiasm for learning.

How will you show that you are an ENGAGED Chemic this week?

POSITIVE THINKING

Footprints: We all leave footprints everywhere we go: at school, the places we visit, and on the hearts of the people who care about us. Be mindful of the footprints you leave behind.
