

Mrs. Boswell's Classroom Management: Expectations, Rewards, and Consequences

Class Expectations...

1. **Be Prepared:** with class supplies, assignments, and a good attitude
2. **Be Respectful:** to yourself, to others, and the learning process
3. **Be Honest:** about your work and your actions
4. **Be Successful:** set challenging goals and give your best effort to accomplish them
5. **Participate in Class Appropriately:** raise your hand to be called on, wait patiently for a speaker to finish, make positive contributions to your group, and work cooperatively with your classmates.

The purpose of a behavior plan is to establish and maintain a classroom environment conducive to learning for all of our students. To implement this plan, during the first week of school, we thoroughly discuss and model classroom expectations and procedures with our classes. I also make each one aware of the consequences for inappropriate behavior. In managing my classroom, my goal is to minimize interruption to instructional time. If students choose to break rules or not follow procedures, I will normally address them using the sequence of actions below. However, steps may be skipped depending on the severity of the offense. Parent Square will be used for communication if problems arise.

This year students who continually follow all expectations will be rewarded with Fun Fridays. These will be every other week. A behavior scale will be used to determine how long or if students get to participate in Fun Friday. I have attached the behavior scale. If you have questions please feel free to message me on Parent Square.
