Participation is **required** when learning a new language

Pesos are your participation grade and you must earn **50 pesos each nine weeks**.

Anything over 50 pesos is **extra credit**.

You can earn pesos by actively participating, using the phrase of the week in context, winning games, helping classmates, asking thoughtful questions, etc.

You can lose pesos for disruptive behavior, being disrespectful,, being off task, etc.

Pesos are a **daily grade**, which means they are 40% of your grade!

Class Folders

- Students **MUST** have a 3 prong, plastic folder for class.
- Students will keep important notes in these folders so that they can easily access the information
- I will collect folders once each nine weeks for a **quiz grade**.
