

Appendix C

Parents or Guardians,

Miller Boyd Alternative School will be offering both breakfast and lunch students. Breakfast and lunch are provided free of charge to all Hamblen County students through December 31, 2020. As of January 1, 2021 students who wish to eat school lunch must have money in their lunch account at their home school. Parents needing to add money to their child's lunch account can do so by either taking money to the home school, mailing a check to the home school or paying through www.mypaymentsplus.com. **Miller Boyd staff members are not allowed to collect lunch money.** If your child eats free or reduced lunch at their home school, they will also have that benefit while attending Miller Boyd Alternative School. The monthly lunch menu will be provided to students. Students will be asked at morning check-in if they are ordering lunch that day. The order will be turned in by 8:00 am to John Hay Elementary School to ensure delivery by lunch time. Students who are tardy or undecided will not receive a lunch if they have not ordered by 8:00 am.
