Positive School Climate Pledge

Ventnor Public Schools are committed to developing and maintaining a positive school climate that promotes a safe and civil environment for students to learn and achieve high academic standards. We ask all members of our school community to support our efforts to prevent acts of harassment, intimidation, and bullying in our school system. Please go to our Ventnor Public Schools Harassment, Intimidation, and Bullying webpage <https://www.veccnj.org/anti-bullyinginfo> to review our HIB Policy and to review our HIB Parent handbook <https://content.myconnectsuite.com/api/documents/25e67165a65e429f84774a72a7505ede.pdf>.

We also encourage parents and students to review the general content of our webpage since it contains valuable information and helpful resources. We invite parents and students to show their support of our **Positive School Climate Program** by signing and returning this pledge form to your school.
