

ABOUT CREDIT UNIONS:

Credit Unions are member owned, not-for-profit, financial cooperatives that provide many no-cost services. This makes credit unions very different from banks which operate on a for-profit basis. Credit Unions are able to provide their members with affordable, low-interest loans and competitive dividend rates on deposit accounts.

NEW WAVE YOUTH ACCOUNTS:

New Horizons Credit Union offers youth accounts designed to help teach our young members the importance of saving and understanding financial responsibility. Any parent or guardian can open a youth account for their child. If the child is at least 16 years of age, the child may open a youth checking account as long as the parent or guardian is joint on the account. Our Youth Account members receive:

- » Welcome gift
- » Birthday greeting and gift
- » Branch visit - treasure chest prizes with deposits
- » No cost debit card with no cost checking account (if 16 years old & with parent's authorization)
- » Access to Biz Kids - online financial education link at NewHCU.org
- » Invitations to participate in periodic contests
- » **And we're thinking of more every day!**
