### Read Across America Week

We celebrated Read Across America the week of March 4th and all of the students participated in many fun and educational activities. The students enjoyed DEAR Time, Crazy Sock Day and Wacky Wednesday. At CRS, our students enjoyed guest readers and at LLE they had reading buddies. The week ended with the children making bookmarks to help build their love of reading.

## One School One Book

Our CRS students read *How Many Stars In The Sky* by L. Hort. The students enjoyed reading along with the nightly mystery readers and their families. There were even activities to participate in after the nightly readings. The students were lucky to have Lenny Hort visit CRS to discuss this book and his others and how he became an author. We would like to thank the PTO for providing this opportunity our students.

## Spotlight on Second Grade

We had such a blast celebrating Read Across America Week in our second grade classes. We dove into all sorts of fun activities together! Some classes got super creative and made socks with magical powers after reading Dr. Seuss's *Fox in Sox*, while others wrote about how they'd make the Grinch crack a smile after reading *How the Grinch Stole Christmas*.

We all really got into the spirit of the week by wearing silly socks on Tuesday and dressing up in our wackiest outfits on Wednesday. It was a whole lot of fun, and it really brought out the joy of reading in all of us!

Dear CRS and LLE Families,

I would like to thank Mr. Regan, DMS Principal, and the students who came to perform and answer questions about the upcoming DMS performance of Shrek, Jr. Additionally, the students at CRS and LLE had a visit from the Harlem Wizards to help promote the Valley-wide event that is coming up as well. This was a lot of fun for all of the students and staff.
