# School Policy

## Attendance

Students will not receive credit in a subject if not in attendance at least 90% of the days school is in session (absences are recorded by class periods). Students will not receive credit in a given subject if absent more than **nine (9) days per semester** (days/classes missed due to approved school-sponsored activities are not considered an absence). Several important points are:

<u>Class Time Periods</u>	
1st	8:20-9:12
2nd	9:16-10:08
3rd	10:12-11:04
JH Lunch	11:04-11:34
HS 4th	11:08-11:59
JH 4th	11:38-12:29
HS Lunch	11:59-12:29
5th	12:33-1:24
6th	1:28-2:19
7th	2:23-3:14
<i>*subject to change</i>	

- Checking out of school requires a note or phone call from parents/guardians before leaving campus. Excuses for all absences must be presented upon returning to school. All excuses/notes need to be dated, given reasons for absence(s), and signed by the parent/guardian.
- A phone call from parent/guardian may be substituted for a note. If no phone call or note is presented, the student will be counted as unexcused. If a note or phone call is not received within two (2) days, the absence will remain unexcused.
- Not all excuses will be accepted, especially if the reasons do not conform with listed excuses (see excused absences).
- Parents/Guardians will be contacted by office staff when their student has received five (5) absences in a semester. This is a courtesy letter to make parents/guardians aware of their child's attendance status.
- It does not matter if a student's absences are excused or unexcused, **the total amount added together cannot exceed nine (9) per semester**. If this occurs, the student may then face loss of credit for the class or classes missed. A letter from the school will be sent home indicating the process the student and parents/guardians need to pursue, in order to request credit recovery.

## Excused Absences

The following absences may be considered excused, provided the proper procedures for checking out or back into school have been followed:

- Parent approved pre-arranged absences (form must be submitted prior to absence)
- Illness of student
- Death of immediate family/attendance at funeral
- Medical/Health appointments
- Home emergencies
- Court appearances
- Senior college campus visits (2 per year); permission in advance (These are considered school sponsored activities)
- Permission for home help or extended tours, with educational value, may be granted. All work missed must be completed within the time allotted by the teachers.
- Attendance at a school sponsored activity/function (state tournament, etc.)

## Make-Up Assignments/Work

A student will be given the opportunity to complete work due to excused absences. Make-up work is the responsibility of the student - the student needs to make arrangements with their teachers to make up daily work, quizzes, tests, etc. If the work is not completed within the time allotted by the teacher, credit will not be granted. Students missing multiple days of school must submit work on the day they return to school, unless other arrangements are made with the instructor. Long-term assignments (10 school days) are due on the assigned date unless prior approval is given by the teacher(s).

## Unexcused Absences

Unexcused absences are those absences that do not fall within the list of situations under "excused absences". Absences including, but not limited to, shopping, hunting, fishing, haircuts, etc. are considered unexcused. Make up work is not allowed.

### **Tardies**

*Students are expected to be in the classroom ready for instruction prior to the last bell. Tardies are the responsibility of the student. Any student tardy for more than fifteen (15) minutes from class will be counted absent. After a student receives three (3) tardies in a class, the student will receive a detention.*

## Truancy

When a student is absent from class or school without parent/guardian/or principal knowledge, the student is considered truant. Truancy is a major offense and can lead to recommendation for expulsion if the behavior continues. The following are the consequences for truancy:

1 <sup>st</sup> Offense	1 thirty-minute detention
2 <sup>nd</sup> Offense	1 day out-of-school suspension
3 <sup>rd</sup> Offense	3 days out-of-school suspension
4 <sup>th</sup> Offense	5 days out-of-school suspension
5 <sup>th</sup> Offense	Recommendation for Expulsion

## Visitors

It is school policy to accept NO STUDENT VISITORS. Exceptions to this may include visitors participating in a class as a speaker, if they are in attendance with other guests visiting our school, and/or have received permission to be attending from the principal or superintendent. Parents are always welcome to visit, attend classes with their student, assist teachers as volunteers and visit with teachers on prep periods (please schedule meetings on prep periods at least one day in advance). Visitors are required to check in at the front office and obtain a name badge and leave when their business is completed. Persons who loiter on school property will be treated as trespassers and will be reported to authorities.

## Video Surveillance

Video surveillance shall be used to promote order, to maintain the security, health, welfare, and safety of all staff, students, and visitors on District property, and to safeguard District facilities and equipment.

## Announcements/Bulletin Boards

Daily announcements will be posted in PowerSchool for staff, students, and parents/guardians. School announcements will be read during 1<sup>st</sup> period. A copy of the announcements can be found on the bulletin board daily. The board is located in the front end of the hallway. Bulletin boards are for approved material only. If you have an item you wish to post, it must be submitted to the office for approval and at least 24 hours in advance.

## Emergency Closures

Due to inclement weather, poor road conditions, or serious facility problems, school may have to be cancelled. If these conditions do arise, the school will notify families via the KHS Facebook page, the District website, email/text as early as possible in order to give as much notice to students and their families.

## Reports to Parents

We believe communication between parents/guardians, students and teachers is extremely important. Because of this, the following report system has been established:

- Online Grade Portal: Through the online portal, current grades are always available to families.
- Quarter Grades: Report cards are available for parents/guardians to pick up at the parent/teacher conferences (see school calendar for dates). We strongly recommend attending conferences. If conferences are missed, grades can be accessed online or may be emailed home.
- Semester Grades: Mailed or emailed home to parents/guardians.
- Attendance Notifications: Sent to parents when excessive absences jeopardize a student's ability to receive credit for his/her classes. This in turn will affect extracurricular participation as well.
- Seniors: If at any time a senior is in danger of failing a required subject, parents or guardians will be contacted, either by the classroom teacher, Counselor or Principal.

*\*Parents are invited to consult with their child's teachers at any time during the year. It is recommended to set a mutually convenient time to meet. Email and phone calls are excellent ways to arrange this process.*

## School Lunch Program

Meals will be served for breakfast and lunch during the school day. Unless arranged in advance by the food service staff, teachers and/or administration, all food must be consumed in the cafeteria. No food will be served during class time beyond the scheduled breakfast period and lunch period. Students may be eligible to eat school lunch at a free or reduced cost. Parents may contact the school office for application forms for free or reduced meals at any time during the school year.

STUDENTS MUST PAY IN ADVANCE - CHARGING IS NOT ALLOWED.

## Student Use of Facilities

Students may not be engaged in any activity in the classrooms, gym, library, auditorium or use any equipment without proper supervision and/or authorization from staff. Students will, in the conduct of all school-related activities, comply with directives of supervision personnel who are responsible for the safety of students. Only enrolled students, faculty, and staff will use facilities and equipment during school hours. Students are required to leave school property during non-school hours unless permission has been granted by a staff member or engaged in supervised activities.

## Medication

No medication will be given out at the school without a parent's permission or doctor's request. It is not recommended that students bring medication to school. If a student must bring medication to school, they are required to turn it in to the front office to keep during the school day. Parents should also notify the school regarding medication.

# Student Policy

## Discipline Policy

Students who break the established rules will be subject to the sequential discipline procedures outlined below. Steps one, two and three are teacher and classroom centered. Depending on the nature of the problem, the teacher may combine, delete or modify the consequences to meet the student needs. Steps four and beyond involve administrative referral and more severe consequences. In addition to school-imposed consequences, the nature of an infraction may cause a referral to the Police or other agency. When any of the following acts are committed or suspected, but not limited to these, the student may be suspended from school attendance, and/or participation in district activities and a parent/guardian will be notified.

▪ Disruption of educational process/Insubordination	▪ Harassment and/or assault of any nature
▪ Hate and/or racist speech	▪ Endangerment of others
▪ Use or being under the influence of illegal substances	▪ Vandalism and/or theft of property
▪ Violence or threat of violence to any person	▪ Possession of a weapon
▪ Dishonesty and/or cheating	▪ Misconduct on school buses

**Progression through the sequence is a product of the frequency and severity of inappropriate behavior.**

**Conversely, periods of appropriate behavior, may hold the student at a given step or reverse the sequence.**

**This is often the result of a specific behavior contract with the student.**

### **Step 1:** Teacher-Student Conference

The teacher will meet with the student in a private, but informal setting to discuss the student's behavior and the teacher's expectations. Appropriate classroom management strategies will be incorporated to attempt to correct the problem.

### **Step 2:** Teacher Assigned Detention

The student will be assigned a detention to be served on the next "detention day". Detention days are Tuesdays and Thursdays. Alternate classroom consequences, such as loss of privileges, may be utilized at this step.

### **Step 3:** Teacher-Parent Contact/Conference

In addition to classroom consequences for misbehavior, the teacher will make a parent contact to discuss the recurring infractions, strategies used and parental assistance. A second detention may be assigned.

### **Step 4:** Office Referral

The student will be referred to the Principal for administrative action. For continuing behavior problems, the teacher will provide a referral form with documentation of previous misbehavior, consequences and

contacts. Major offenses may enter the sequence at step 4. Administrative action may include, but not be limited to, parent contact, detention, work detail, isolation and/or suspension.

**Step 5: Office Referral – Parent Conference**

In addition to administrative action assigned, a formal parent conference will be scheduled to discuss the misbehavior, expectations, parental assistance and future consequences.

**Step 7: Suspension from School – 1 or 2 days**

The parent will be contacted regarding the suspension. A parent conference may be required prior to the student's re-entry. The student is eligible to make up all work missed for credit. The student is responsible for making arrangements with the teacher immediately upon re-entry from suspension. The suspended student may not be on school property during the suspension period.

**Step 8: Suspension from School – 3 days**

The parent will be contacted regarding the suspension. A parent conference may be required prior to the student re-entering. Parents are encouraged to make arrangements for school work prior to the student's re-entry.

**Step 9: Suspension from school – 4 or 5 days**

The parent will be contacted regarding the suspension. A parent conference may be required prior to the student re-entering. Parents are encouraged to make arrangements for school work prior to the student's re-entry.

**Step 10: Recommendation to the School Board for Expulsion**

If the student's behavior is incorrigible or if the nature of an incident is sufficiently severe, the student may be recommended for expulsion.

## **Dress Code**

Students' dress, grooming and personal property will be non-disruptive and non-detrimental to the health and safety of students. Dress code rules include, but are not limited to:

- Clothes must be clean and safe and not defame any group, including our nation.
- Pajamas/slippers are not allowed. \*Includes pajama pants.
- Halter tops, tube tops, cut-off shorts and low cut pants are not allowed. No midriffs may be showing at any time. Shoulder straps on tank tops may not be "spaghetti" straps. Shorts and skirts should extend past the hand's reach, with or without tights underneath. No cleavage should be visible. Holes in pants should be below the hands reach.
- No bare feet in hallways or classrooms.
- Clothing referencing alcohol, tobacco, drugs, extreme violence, profanity, and/or sexual innuendos is not allowed at school or school functions, including athletic practices and events
- Hats and head covers (beanies, do-rags, etc.) are not to be worn in the school. These items are to be kept in your lockers throughout the day. If seen being worn during the school day, hats and head covers will be confiscated and returned to a parent only.

Parents will be required to pick up items at their convenience. Refusal to comply with these rules by students will result in removal from class until arrangements can be made to make appropriate changes. Students will not be allowed to leave campus to change items of clothing unless arranged with parents and the principal.

## Tobacco, Alcohol & Drugs

Kendrick Junior/Senior High School is committed to a drug-free environment (includes drug paraphernalia, vaporizers & juuls). Students suspected of being under the influence of any drug during school, on school property or at any school function will be isolated, based on “reasonable suspicion”. If students are determined to be “under the influence”, parents/guardians will be contacted, along with county law enforcement. School consequences for this violation will be:

<u>1<sup>st</sup> Offense</u>	-3 day out-of-school suspension -A Report may be filed with Latah County Sheriff's Department.
<u>2<sup>nd</sup> Offense</u>	-5 day out-of-school suspension -A drug/alcohol information treatment session may be required for re-entry. *Counselor or treatment center determined by parents/guardians.
<u>3<sup>rd</sup> Offense</u>	-Recommendation for expulsion

*\*\*Student may be recommended for expulsion immediately for possession or consuming drugs on school property at the discretion of the Principal. Students found to be selling/dispersing drugs on school property will be recommended for expulsion on the first offense.*

## Weapons

Kendrick Junior-Senior High School is committed to providing a safe environment for all students and staff when they are at school, on the bus or at any school activity. The school and district's commitment includes prohibiting weapons or other objects/substances which may pose a threat to the health and safety of other students, staff members, or visitors, or could be used to disrupt the educational process. The following information needs to be adhered to:

Students are prohibited from:

- Possessing or carrying objects/substances which are manufactured, used or intended for use as a weapon, or facsimiles thereof, at school, on a school bus, or at any school-sponsored activity without prior permission of school officials.
- Possessing, carrying, using, and/or threatening to use, any normally non-dangerous object or substance with the intent or result of causing harm to another individual at school, on a school bus, or at any school-sponsored activity.
- Knowingly assisting another student(s) to \*possess, carry, or use a weapon at school, on a school bus, or at any school-sponsored activity.

## Lockers

All students, grades 7-12 are issued a hallway locker. Athletic/All P.E. lockers are also available in locker rooms for P.E. students and KHS athletes only. It is the responsibility of the students to secure his/her locker if so desired. Once assigned a locker, the students will be responsible for the condition of the locker(s). Damage above normal wear and tear will result in repair costs charged to the student. Backpacks and personal items must be kept in your locker during the school day. No food, drinks, medicine or garbage is allowed to be kept in lockers.

*\*Kendrick High School will not be held responsible for lost or stolen items.*

## Search & Seizure

The school has the right to search a student's personal belongings, a student's vehicle and/or the student themselves based on reasonable suspicion, when it is in the best interest of the safety and welfare of other students. The school will also periodically check school lockers. Lockers are the property of the school district and therefore, may be checked for any reason at any time, without notice, without consent, and without a search warrant. Law enforcement and/or security agencies that utilize "drug dogs" may be asked to provide random searches on the school campus (includes, but is not limited to, classrooms, bathrooms, lockers and cars).

## Personal Vehicles

Students who drive to school are to park in an orderly fashion in the student parking lot (west of gym and north of Voc. Ag. Shop). Additional rules regarding vehicles include, but are not limited to:

- Students will not drive their vehicles again until dismissed from school, unless permission has been granted by the principal.
- There are no off-campus lunch privileges.
- Parking is not allowed on Tiger Road.
- Students are not allowed to be in their vehicles or anyone else's vehicles during school hours.

### Closed Campus

*Kendrick Junior-Senior High School is a closed campus. Permission to leave the school grounds needs to be obtained from the principal or their designee. In order for a student to check out, the student must have a note from a parent or a phone call from the parent prior to being excused from campus. A medical appointment slip may be substituted for a parent note.*

*\*Students who violate these rules may lose their privilege of driving to school. Parents will be notified of such action.*

## Electronics

Phones will be placed in phone pouches during the school day. \*See guidelines at end of handbook.

### Office Telephone Use

The phone is not to be used during class time. In the case of an emergency or official school business, students may use the office telephone during class. Permission must be granted by office personnel beforehand. Unless there is an emergency, parents are asked to leave messages for students, rather than interrupting class time.

## Confiscated Items

Confiscated items may be given back to the student at the end of the day at the discretion of the staff member. Other items such as lighters, etc. may not be returned. Parents may be required to pick up confiscated items at their convenience.

## Public Display of Affection

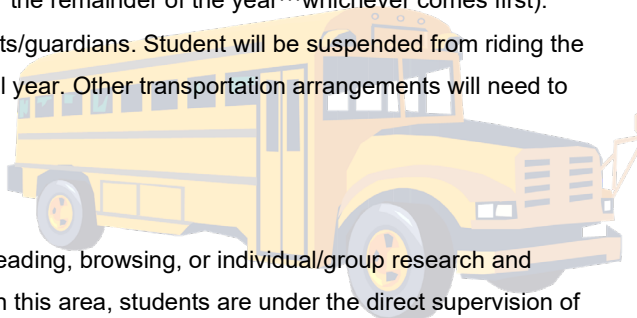

Excessive physical contact and public display of affection is not acceptable on school property, on school buses, or at school activities.

## Bus Conduct

To ensure the safety of our students and bus drivers, conduct on the bus and at bus stops will be monitored by all bus drivers. Due to the difficulty of monitoring students while on their bus routes, these rules will apply on all buses:

- Drivers may assign permanent or temporary seating arrangements to students in order to alter poor behavior.
- Students are expected to obey the driver promptly without argument.
- Students exhibiting inappropriate behavior may forfeit their right to ride the bus.
- Students having behavior issues on the bus will be issued a conduct report from the bus driver. The consequences for infractions will be as follows:

<u>1<sup>st</sup> Infraction</u>	Bus driver calls parents/guardians
<u>2<sup>nd</sup> Infraction</u>	Bus driver and bus supervisor calls parents/guardians
<u>3<sup>rd</sup> Infraction</u>	Bus driver and Principal call parents/guardians. Student is suspended from riding the bus for three (3) school days.

### Library/Media Center

The Library/Media Center is available to students for casual reading, browsing, or individual/group research and study. The atmosphere should be quiet and relaxed. While in this area, students are under the direct supervision of the sponsoring teacher, the librarian, or the library aide. Respect should always be given to the rules of the library, the book collection, the technology, and the facility. Books and materials that are checked out in the Library/Media Center are the students' responsibility to return them in a timely fashion. If books are not returned, students will be billed for the price of a replacement for that book.

### Computer and Internet Use

The use of computers/internet is a privilege. Students, parents, and staff are required to sign the INTERNET ACCESS CONDUCT AGREEMENT form, detailing the responsibilities of users on the KHS systems. This form must be signed and on file before a user will be allowed access to the system.

*\*\*Chromebooks – Use can be revoked at any time for inappropriate use. See Terms of Agreement form for further information.*

The IDLA is a state-sponsored, web-based (on-line) educational program set up to provide Idaho high school students with greater access to a diverse assortment of courses working in collaboration with public schools. This “virtual” high school system was created to address the educational needs of all Idaho students - traditional, home-schooled, at-risk, and gifted learners. The highlights of the IDLA program are:

- Allows students to take classes not offered at Kendrick High School.
- Provides credit recovery to students.
- Allows students to amend scheduling conflicts.
- Allows students to earn dual credit by offering college classes that earn both high school and college credits.

- If the student is choosing to receive a dual credit, the cost of paying for the college credit is the sole responsibility of the student. Kendrick High School will not assume this cost. Depending on which college or university the class is being offered from, cost for credits may be different.  
\*STUDENTS ELECTING TO TAKE CLASSES CURRENTLY OFFERED BY KHS STAFF MUST TAKE THE COURSE(S) OUTSIDE OF THE 7-PERIOD SCHOOL DAY AND NOT AT KENDRICK HIGH SCHOOL. THE COST OF THE CLASS WILL BE CHARGED TO THE STUDENT/FAMILY.

*\*GRADES REPORTED FROM ONLINE CLASSES/SCHOOLS WILL BE REFLECTED ON STUDENT TRANSCRIPTS AS REPORTED.*

*For further information, contact the School Counselor or go online to the IDLA website at <http://idla.k12.us>.*

### Student Records

As a result of federal legislation guaranteeing the individual's right to privacy, attention has been focused on school records and the content of those records. The following is a summary of the basic provisions contained in the laws and regulations which the school is obligated to follow:

- Parents must be granted access to all official records pertaining to their children, maintained in any form by the school. Students over the age of eighteen (18) shall also have access to their records. Students and parents who wish to review records shall contact the counselor and make an appointment to do so.
- The student's records, or information contained in those records, shall not be released to anyone other than school or educational officials without the informed written consent of the student's parents. If the student is eighteen (18) years of age or older, only the student may grant the release.
- The parent or student shall be provided the opportunity to challenge or rebut information contained in the student's records.
- The school shall provide appropriately trained educational personnel to assist the parent or student in understanding school records.

### Confidential Records

Idaho has a confidentiality statute which provides student immunity from disclosure of certain confidential communications made to counselors. Exceptions being:

- Threat of harm to self or others
- Reported or suspected child abuse or neglect
- A court order

### Withdrawal from School

A "withdrawal form" is used in checking out with each teacher and the office. This slip is then returned to the office before the student withdraws the school. Students must empty & clean out all lockers, return all school property, and pay any debts they may have incurred prior to being cleared for withdrawal.

## Guidance Services

The Guidance & Counseling program in the Kendrick School District is an integral part of the educational process. Counseling is available to students to help in class selection to best meet their needs to enter the work force as a productive citizen. Students are encouraged to talk with their counselors at least once per semester. Students or parents can utilize counseling services for personal, social, family, academic or career choice problems they may be experiencing. ## College Admission & Financial Aid

Students should recognize the importance of their school records for financial aid and admission to college. This record is the accumulation of efforts beginning with the entrance into school and continuing through the senior year. It includes not only grade point average but also course selection, test results, activity participation, leadership, attendance habits and citizenship.

All colleges in the state of Idaho have entrance requirements beyond having a high school diploma. See the counselor for specific information on admission requirements, College Entrance examinations (ACT, SAT, etc.) and general scholarship aid and financial aid information\*. (Note - Financial aid forms should be completed no earlier than January 1<sup>st</sup> of the year of graduation and no later than February 10<sup>th</sup> for priority consideration.)

Every year, the counselor will call special meetings and make announcements regarding admission scheduling of special entrance tests and financial aid. It is essential that students attend sessions and note announcements in order that they may become aware of deadline dates for test entrance applications and financial aid applications.

Forms need to be completed and turned into the Principal one week in advance of the dance. Approved guests need to attend the dance with the Kendrick student. The guest is the responsibility of the Kendrick student. Approved guests must be enrolled in a Junior High or a High School - they cannot be in college or out of school.
- If a student is suspected of being under the influence of alcohol and/or drugs or using tobacco products, the student will be removed from the dance and both the student's parents/guardians and law enforcement\* will be contacted. *(\*Law enforcement is contacted before the dances to come through and make checks at our school throughout the time of the dance. They will patrol the parking lot, come into the dance, and be available to assist, if necessary.)*
- Only students in "good standing" are permitted to attend. Students who need to serve detention or are on in-school/out-of-school suspension cannot attend.
- Teachers or adults assigned to supervise the dance have full authority to request a student to leave for any action/behavior deemed inappropriate. Front to back dancing or "grinding" is not allowed.
