

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. The compact explains how parents and teachers will work together to make sure all our students reach grade-level standards. This compact helps bridge the learning connection between school and home.

Jointly Developed

The parents, students and staff of Cook Middle School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students provided information on what would help them learn. Meetings are held annually to review the compact and make changes based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title 1 parent survey in the spring that is also used as a tool to collect parent feedback regarding the current Title 1 programs and policies. However, parents are welcome to contribute comments at any time. **If you would like to volunteer, participate, and/or observe in the classroom, please contact: Dr. Mary Sue Ward at (229) 549-5999 or email at mward@cook.k12.ga.us**

Target Grade level Skills

ALL Georgia state grade level standards in ELA and math will be targeted.

Teacher/School Responsibilities

Some of the key connections with families will be the following:

- Provide strategically chosen activities to be completed at home as explained and supplied during HPTT meetings.
- Offer free HPTT (Hornet Parent Teacher Team) meetings four times a year with concentration on reading comprehension.
- Provide current curriculum maps for both ELA and math with a unit pacing guide for each unit
- Provide ELA and math learning videos via Google Classroom/ CMS website
- Communicate with parents and stakeholders in a variety of means: Newsletters, Albright Arrow, carrycards, phone calls, emails, texts, etc.
- Monitor and report to parents students' Lexile score reported through MAP
- Monitor and report to parents students' basic math skills reported through Math Matters
- Focus on academic vocabulary in all academic subjects

Parent Responsibilities

- Monitor my child's independent reading and response in written form when requested.
- Assist my child in mastering lists of vocabulary words provided through effective strategies provided by the school.

- Assist my child in mastering the basic math skills appropriate for their grade level.
- Review my child's Lexile scores quarterly/triannually,
- Monitor their reading materials, and adjust materials as necessary
- Stay informed of my child's progress, my child's school activities and communicate with my child's teachers.
- Model the importance of reading with my child
- Try to attend HPTT meetings in order to learn ways to increase my child's reading comprehension and vocabulary.

Student Responsibilities

- Work with my parents to master lists of vocabulary words provided by creating and studying flashcards
- Work with my parents to master grade level basic math skills by studying computational skills and facts.
- Read independently at appropriate Lexile level and respond in written responses when required.
- Maintain a reading log that includes Lexile score each quarter graphed to show my progress.
- Practice reading comprehension and vocabulary building on websites suggested by my teacher.
- Practice math skills presented in class by reviewing my notes and reworking problems nightly.
- Bring home all means of communication in a timely manner
- Know my Lexile level and set goals to read at or above my grade level Lexile band.
