FOR IMMEDIATE RELEASE  
26 January 2022

Yesterday, Head Football Coach Jason Chappell verbally notified me that he had applied and accepted the North Laurel Head Coaching position. We appreciate the effort that Coach Jason Chappell gave during his season as Head Football Coach here at Pineville.

We believe that our program is in excellent condition with better facilities than we have ever had, strong participation with great student-athletes, and phenomenal community support. We are excited about the opportunity and have begun the search to bring someone into our system that will take our program to an even greater level.

The head coaching position has been posted on the KHSAA website and we are currently taking applications. Mr. Randy Frazier has been named Interim Head Coach and will be leading the team through this transition.

Thank you,
