Special Education Child Find

Students with disabilities who are residents of Oklahoma have available to them a free appropriate public education as mandated by the Individuals with Disabilities Education Act (IDEA), P.L. 101474. Turkey Ford Schools has a comprehensive child identification district plan to identify, locate & evaluate those children with disabilities, birth through 21 years of age, who are in need of special education & related services. This is an attempt to locate these children in order to assist in providing the services to which they are entitled.

If you know of a child with a disability living in the district in need of service, please contact Julia Howard or Lori Miller at 918-786-4902.
