### Teacher Aide Application

Students in the 11th and 12th grade may be eligible for a class period of Teacher Aide, a period during which the student assists teachers with various classroom tasks.

If you have selected “Teacher Aide” on your course selection form, you must ask two teachers to approve your placement in their classrooms (completed below) and submit this form along with your course selection sheet. While we will do our best to accommodate your request, we cannot guarantee placement with a particular teacher due to scheduling/class size, and it is possible that you will be placed in a class as needed and available.

**MUST be signed by two teachers in case of scheduling conflicts**

Teacher aides work in an environment where their attendance, cooperation, work habits, and behavior are important. They must conduct themselves in a mature manner at all times and respond positively to direction from any PHS staff member and exhibit professional courtesy to all students and faculty/staff. This is not a study hall period, and aides must be prepared to help with any tasks assigned to them. Students do not earn credits/grades for this class.

*Please sign below to indicate your agreement to the above expectations and procedures.*
