Section One: Purpose

Southwest Georgia STEM Charter School (“School”) is committed to creating a safe, positive environment for all of our students, staff, parents, and community partners. The school will work to assure that all students and staff are well-motivated, fully aware of their potential and dedicated to pursue excellence in academic knowledge, skills, and behavior. The School believes that all children can thrive in a safe learning environment. The School utilizes a range of activities to recognize, celebrate, and reward positive behavior at the classroom, school, and district levels.

The purpose of this policy is to support the creation of a safe learning environment for all members of the school community. The purpose of this policy is to state clearly our standards for acceptable conduct of students. The policy also explains the consequences for not meeting these standards of conduct. This policy a strict policy for conduct that endangers the safety of the schools and/or disrupts the educational experience for other students. The School does not permit corporal punishment.

The policy also sets forth the discipline procedures for the students who have committed violations. This policy is not meant to be a contract between the District and the students, and may be amended at any time.

Section Two: Scope of the Policy

Every student is entitled to a safe, secure, and orderly environment in which to learn and work. The rules and regulations in this policy are designed toward that end and shall apply during the following times and in the following places:

- a. On school grounds at any time;
- b. Off school grounds at a school bus stop, on a school bus, school activity, function, or event;

(O.C.G.A. 20-2-751.5(c)).

The rules of this policy do not apply to student speech that occurs off campus if the speech is at a non-school sponsored event and does not cause or is not likely to cause a material and substantial disruption to the school environment or a school activity.

Section Three: Equal Opportunity Statement

The School complies with all federal, state and local laws, and provides an equal opportunity for all students. The school prohibits discrimination in admission, grading, discipline and any other activity based on race, creed, color, national origin, religion, ancestry, age, marital status, sexual orientation (known or perceived), gender identity expression (known or perceived), sex, handicap, nationality or citizenship.

All decisions of the School Board and Administration will be administered without regard to any of the categories listed above.

Section Four: Statement of Student Misconduct

The rules in this policy are designed to notify students (grades K-9) as to the types of behaviors that are unacceptable; nevertheless, every specific variation of the prohibited conduct may not have been included. Consequently, students should expect to be disciplined for misconduct that is obviously inappropriate. A specific rule need not be written for every conceivable variation of behavior that directly affects the orderly mission of the school.

Section Five: References to the Official Code of Georgia Annotated

References to Title 16 of the Official Code of Georgia Annotated (O.C.G.A.) included in this policy do not require that the elements of the specific criminal code section referenced be proved beyond a reasonable doubt before schools may punish misconduct. Further, these code references do not impose any additional intent requirements upon schools pursuing discipline against students for violation of this policy.
